Kaveri College of Arts, Science and Commerce
Annual Gender Sensitization Plan
Academic Year 2020-21

Kaveri College of Arts, Science and Commerce is a coeducation college and has always known to be a caring institution.

Gender equity is followed across all activities such as recruitment, leadership, co-curricular and extracurricular activities, etc.

For gender sensitization the college has policies and committees in place. It plans to emphasize on following areas during 2020-21:-

1. To introduce courses related to gender equality for students.
2. To create awareness amongst staff and students regarding issues related to gender equity by organizing programmes, activities, etc
