Report:

Student Development Centre in association with Kaveri Research and Innovation Centre of the college has organized one day seminar on 'Career Opportunities in Research for Science students' on 18 August 2017. The seminar was inaugurated at the hands of Hon. Shri Kushal Hegde President Kannada Sangha. The Chief Guest for the seminar was Dr. A.D. Shaligram, Officiating Registrar and Head, Department of Electronic Science SPPU. Dr. Shaligram in his inaugural address said that everyone has good potential to be a scientist and corrective knowledge always comes from research.

The first session of the seminar was conducted by Dr. Shaligram. He started his session with the question 'what is research and why to do it?' He further explained the relation between innovation and market share.

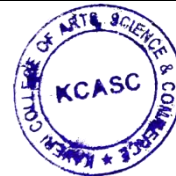

In the second session, Dr. Aditya Abhayankar briefed about various opportunities related to research. He said that all students are unique and have equal opportunities in doing research. He also said that innovation always happens at young stage and wish all the students 'happy research'.

In third session, Dr. Manasi Patwardhan said that research is basically a science. All should use right side of brain for solving problems and developing applications.

35 students were from other colleges namely Modern College Ganeshkhind, Chirst College, Ramkrishna More College, Jadhavar College, Sinhgad College etc.

Felicitaton of Dr. Aditya Abhayankar and Dr. A. D. Shaligram on the occasion of One Day Seminar on Career Opportunities in Research for Science Students, 18 August 2017

Name of the Activity: Workshop on Dance and Movement Therapy
Date: 18 December 2017
Name of the Resource Person: Ms. Avantika Malhautra, Ms. Aarohi Doshi
Number of Participants: 50
Resource Person Details Ms. Avantika Malhautra Contact Number: 9810086188 Psychologist and Expressive Art Therapist Ms. Avantika Malhautra is practising Psychotherapist & Creative Arts Therapist in Siolim, North Goa. She works with individuals using the Humanistic approach to counselling and therapy with influences of mindfulness and psychodynamic processes of making conscious, unconscious patterns of thought, feeling and experience in order to achieve therapeutic goals. If the client chooses, she compliments these methods with expressive arts therapy - visual art and/or body movement to achieve therapeutic goals within the domain of emotional, social and physical health. Therapy enhances the body-mind connection leading to self-expression, self-confidence, movement towards desired changes and overall well-being Ms. Aarohi Doshi Contact Number: 9823519725 Psychologist and Dance and Movement Therapy Facilitator, Artsphere Aarohi is passionate about creative arts and psychology equally and chose to amalgamate her love for the two fields. Aarohi is an Applied Psychologist, a certified Dance Movement Therapy Facilitator, and a Visual Art Therapy Facilitator. She holds a graduate degree in Psychology from Fergusson College, Pune, and a Post Graduate Diploma in Counseling Psychology. She has also completed her Masters in Clinical Psychology from MS University, Vadodara. Additionally, Aarohi is a certified Kathak dancer and a choreographer and has taught dance for over a decade. Through her work, Aarohi aims to promote a connection of the mind and body, using different trauma informed psychological techniques interweaved with various creative arts. With her recent exposures to attachment theories, her scope in understanding human relationships has deepened. She is an expert at using Dance Movement Therapy (DMT), Visual Art Therapy, and Verbal Counseling in order to promote healing and mental wellness.
Report: Kaveri College and Board of Student Development, SPPU jointly organized a 'Dance and Movement Therapy' Session on 18 December 2017. The session was conducted by Ms. Avantika Malhautra (Psychologist and Expressive Art Therapist) and Ms. Aarohi Doshi

(Psychologist and Dance and Movement Therapy Facilitator), from Artsphere Pune. Students from Fergusson College, M.E.S Garware College, Dr. D. Y. Patil College of Arts, Science and Commerce, Nowrosjee Wadia College, Modern College, Ramkrishna More College and Kaveri College participated in the session. The experiential session started with a balloon activity that served as a warm up and focused on Body Awareness as an objective for the group. This was followed by a body movement and name choreography activity that allowed the participants to share the stories about their names, giving way to expression and creativity. Different activities using props like ribbons, newspapers, charts and sketch pens were then conducted focusing on range of motion and body image. The session concluded with a cool down and a verbal processing/sharing from the group about their experience in the session and how they could integrate it. The second part of the session was a presentation that focused on what is Dance and Movement Therapy, its History and origins, the different benefits of it and the various populations with whom dance therapy can be conducted.

Felicitation of resource person Ms. Avantika Malhautra and Ms. Aarohi Doshi, 18 December 2017

Mohanty, Vice principal, Mr. Chittaranjan Mahajan, President, Dolphin Educational and Research Society, Director, Dolphin Labs, Pune,

Chief Guest Dr. Lalit Kathpalia praised Kannada Sangha for its progressive management and holistic student centric activities. He said that Internet of Things(IoT) has made our lives easier and also has made the world a better place to live but it has its own share of concerns such as breach of privacy, security of data/content, compatible firewalls, etc. He said the future belongs to IoT and will bring tremendous changes in our lifestyle.

Mr. Chittaranjan Mahajan started the first session with exploring the terms and the requirements of the IoT. He explained about Hardware Selection, Operating System Selection and Software Selection. He said that IoT will solve major problems faced by the people such as pollution, traffic congestion and shortage of energy supplies etc. By installing sensors and using web applications, citizens can find free parking slots across the city. IoT is also being used in agriculture and farmers are using meaningful insights from the data to yield better return on investments, sensing for soil moisture and nutrients, controlling water usage for plant growth etc.

On the second day, Dr. Parikshit Mahalle, Professor and Head, Department of Computer engineering, Sinhgad Technical Education Society's Smt. Kashibai Navale College of Engineering, Pune explored the topic 'Big Data Management in IoT' explained the contribution of IoT in huge data generation and his main focus was on analysis of big data. He also discussed research topics on big data management. Data science is all about making a scene out of Bulks of data generated from IOT.

Dr. Manasi Patwardhan , Research Scientist, Tata Consultancy Services demonstrated various statistical methods of data processing with the help of R Studio. She gave insight for the prediction of the result with the help of charts.

The participants from different colleges such as Tilak Maharashtra Vidyapeeth, T.S.B. and M. College of Commerce, Sharadchandra Pawar college, MIT college of Arts, Science and Commerce, Appasaheb Jedhe College and Jayakranti College etc. were participated in the workshop.
