Name of the Activity: Hands-on Workshop on Tally

Date: 9 May 2022 to 14 May 2022

Names of the Resource Persons: Mr. Kiran Suryawanshi, Ms. Vanita Shitkar, 9850148836

No. of participants: 375

Report:

Dr. Deepa Sathe HoD and Commerce Coordinator along with Mr. Kiran Suryawanshi, Ms. Vanita Shitkar has conducted a 6 days Hands-on workshop on Tally for FYBCOM students. The trainers have explained the importance and basics of Tally to the students for basic understanding. The students got to experience tally in UG Lab of the college where they have learnt company creation to prepare for various reports on their own.

The participants interacted with the speaker on various queries related to Tally software. In all 375 students in 6 batches have benefited from this session.

The session ended with the vote of thanks proposed by Dr. Deepa Sathe, Co-ordinator.

Hands-on Workshop on Tally held on 9 May 2022 to 14 May 2022

Name of the Activity: A Guest Lecture on Electronic Data Processing

Date: 10 January and 11 January 2022

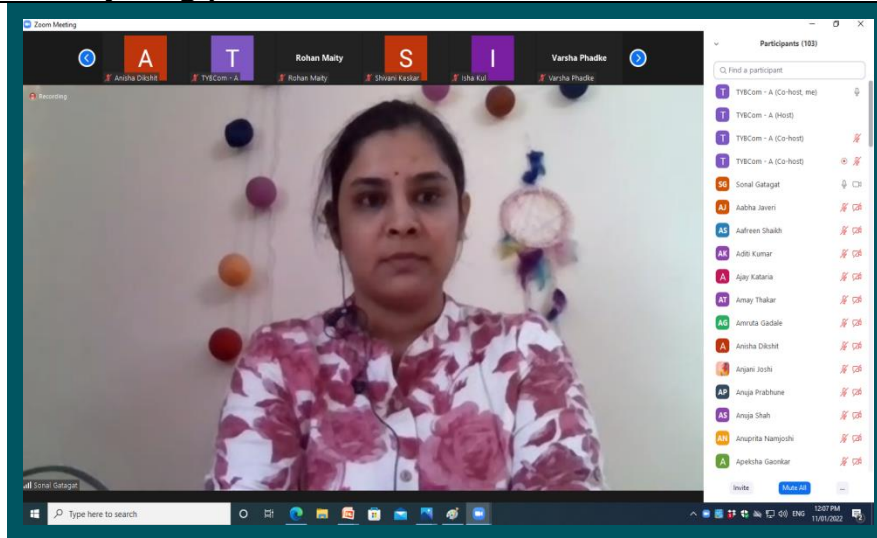

Names of the Resource Persons: CA Sonal Gatagat, 7276263384

Report:

The Department of Commerce organized a guest lecture on the topic Electronic Data Processing on 10 and 11 January 2022 at 10.15am for TYBCOM students. CA Sonal Gatagat was invited as the guest speaker for this lecture.

Ms. Sonal made the students understand the basics of Electronic Data Processing like its concept, uses, advantages and role in the changing business scenario. She mentioned that the role of EDP in recent times has become very important. She helped the students to understand the application of EDP in the varied decisions made by organizations.

On the next day, the lecture focused on understanding the role of EDP in Auditing. This helped the students to understand that Auditing as a profession needs skills like use of technology based applications in the present day. Hence, there is a growing need to acquire knowledge about Electronic Data Processing like applications for young professionals.

Report:

Two Days National Workshop on Intellectual Property Rights and Patents was organized on 11 and 12 December 2021 by IQAC cell of the college in association with Skillslate Foundation. The Resource Persons for the workshop were Dr. Jayashri Bangali, IQAC Coordinator Kaveri College and Adv. Rakesh Agrawal, Managing Partner, Agrawal Brother's Co. Of Lawyers. Sessions on Importance of IPR, Patents and copyright were conducted in the workshop.

The National workshop was inaugurated at the hands of Dr. Ashok Agrawal Principal Kaveri College. He addressed the audience and congratulated the Kaveri College and Skillslate founder Mr. Ameya Agrawal for taking initiative and organizing the workshop on such an important topic of IPR. Dr. Jayashri Bangali in her session briefed about the history of Intellectual Property, importance of IPR, types of Patent Application, filing patents applications in India and abroad. She has also briefed about the patent search and demonstrated how previous patents can be searched.

On 12 December 2021, Adv Rakesh Agrawal conducted session on Copyright. He discussed about Indian Copyright Act and briefed about the procedure of registering Copyright in India. He also shared his experiences related to Copyright infringement cases. Question answer session was conducted on both the days. Participants enthusiastically participated in question answer session and asked many questions to Resource Persons. Both the Resource Persons answered all the queries raised by the participants. Total 215 participants registered for the workshop from all over Maharashtra.

Name of the Activity: Intellectual Property Rights
Date: 6 October 2021
Names of the Resource Persons: Dr. Jayashri Bangali
No of the Participants: 353
<p>Details of Resorce Person: M.Sc., M.Phil., Ph. D. (Electronic Science). Contact Number: 9423581927 Email ID: jayashri789@yahoo.com Coordinator, B.Sc. (Computer Science), Head, Electronics Department Teaching Experience:20 years Industrial Experience:3 & 1/2 years Research Areas: Low Temperature Co-Fired Ceramics (LTCC), Smart Space Automation, Embedded systems, Lighting and Glare technology</p>
<p>Report: A Guest Lecture on Intellectual Property Rights was conducted for the students of Kaveri College and for the students from other colleges in and around Pune city and outside Pune on 6th October 2021 at 11:30am. The session was conducted by Dr. Jayashri Bangali, HOD Electronics Dept, Kaveri College of Arts, Science and Commerce.</p> <p>The session focused on evolution of IPR in India, how gain a patent, copyright and trademark. Dr. Jayashri elaborated on the importance of IPR and its uses and misuses. She discussed case studies of how various companies across the world obtain the IPR. She spoke on the need to know about the IPR as the definition of assets has grown from material to non-material. In general, Intellectual Property Rights (IPRs) is concerned with the protection of tangible and intangible property. It provides material awards and recognition to the inventors and contributors for their investment. Hence, it enhances motivation to disseminate scientific and technological information which in turn stimulates research and development for improvement of the quality of life.</p>
 <p>PRINCIPAL Kannada Sangha Pune's Kaveri College of Arts, Science & Commerce</p>

The lecture was full of knowledge as most of the students were unaware of this Intellectual Property Rights procedure of filling the patents. The lecture concluded with an interactive question answer session and students were satisfied.

Name of the Activity: Online Seminar on Data Protection and Awareness

Date: 7 October 2021

Name of the Resource Person: Dr. Harold D'Costa

Number of Participants: 294

Resource Person Details:

Dr. Harold D'Costa

President - Cyber Security Corporation and CEO - Intelligent Quotient Security System. IQSS featured in top 10 Cyber Security Company in the country in matters related to Cyber Security, Cyber Forensics and Digital Evidence.

Senior Consultant for Law Enforcement Agencies on matters related to Cyber Security Breaches and Cyber Crime Investigation.

Senior Resource in Cyber Law, Cyber Forensics and Digital Evidence at various state level Judicial Academy's and also at National Judicial Academy.

International Trainer on Cyber Crime Investigation, Cyber Law, Cyber Forensics and Digital Forensics.

Worked on more than 4,500 cases of cyber crime from 7 countries and trained more than 35,000 cops and about 4,000 judicial officers in various facets of Cyber Forensics, Cyber Law, Digital Evidence and Cyber Crime Investigation.

Was a resource person in 19 International conferences and also was a part of Global Cyber Security Summit.

A regular writer in leading newspaper and an expert in Cyber Security in various TV channels.

Contact Number: 7709619249/9545589769

Report:

The Session was conducted by Dr. Harold D'Costa through a zoom meeting on 7 October, 2021. Dr. D'Costa stressed on the fact that India is the 2nd largest country using the Internet. He also explained that 95% of the geographical area in India is covered by the Internet. He also explained why we feel secure using the Internet and we become victims of Cyber Crimes. With the help of statistics, it is proven that there is a huge increase in the number of cyber crimes taken place from 2013 till date. He also mentioned that in the last 9 months, 11 lakh Cyber threats have been reported in India. These Threats include the following:

1. Cyber Stalking
2. Cyber Contraband
3. Cyber Trespassing
4. Cyber Laundering

Name of the Activity: Overview of Software Engineering

Date: 31 October 2020

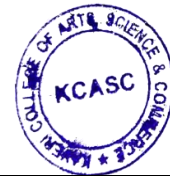

Names of the Resource Persons: Mrs. A.R. Arakerimath ,HOD & Associate Professor , Pimri Chinchwad College of Engineering

Number of Participants: 40

Report:

Bachelor of Business Administration (Computer Application) arranged a online guest lecture on “Overview of Software Engineering”. Aim of having this guest lecture was enriching our students with the latest updates of software engineering and its related information. Guest Lecture was arranged for all the students of FYBBA(CA) ,SYBBA(CA),TYBBA(CA) on 31 october 2020.

Resource Person Mrs. A.R. Arakerimath , HOD & Associate Professor , Pimri Chinchwad College of Engineering was invited as the guest speaker. She gave wide variety of views on software engineering and how it is useful in projects. Also she mentioned about going beyond theoretical knowledge of software engineering and how we can practically apply our knowledge on projects. She asked the students to focus on their semester projects and asked them to come up with new ideas. She also explained advanced Agile methodologies of software engineering. She focused on new era of software engineering 2020 ,future of software engineering and career opportunities in software engineering. All the students were benefited by the lecture and got knowledge about Industry needs, latest technical updates etc.

Name of the Activity: Two Days State Level Webinar Ethical Hacking and Cyber Crime Investigation

Date: 27th & 28th January, 2021

Names of the Resource Persons: Mr. Tanmay Dikshit, Author, Cyber Consultant, Security Researcher

Number of Participants: 250

Report:

B.Sc. and M.Sc. Computer Science Department of Kaveri College of Arts, Science and Commerce has organised a Webinar on "Ethical Hacking & Cyber Crime Investigation" on 27th & 28th January, 2021 from 10:00a.m. to 11:30a.m. The webinar was organised online on YouTube live platform. The aim of this webinar is to make students literate about cyber crimes and its investigations.

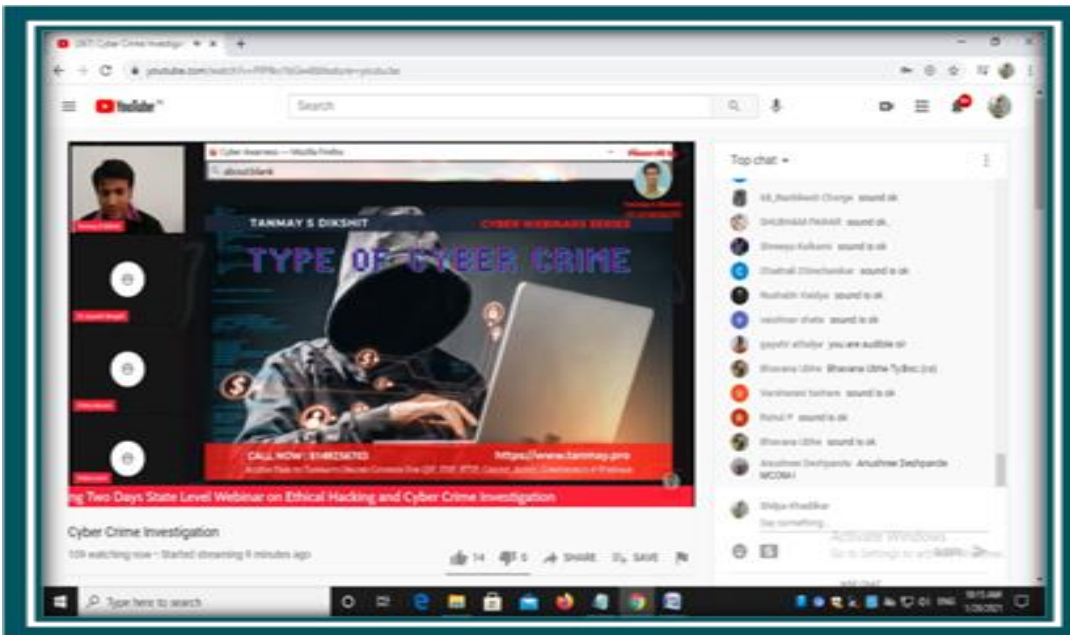

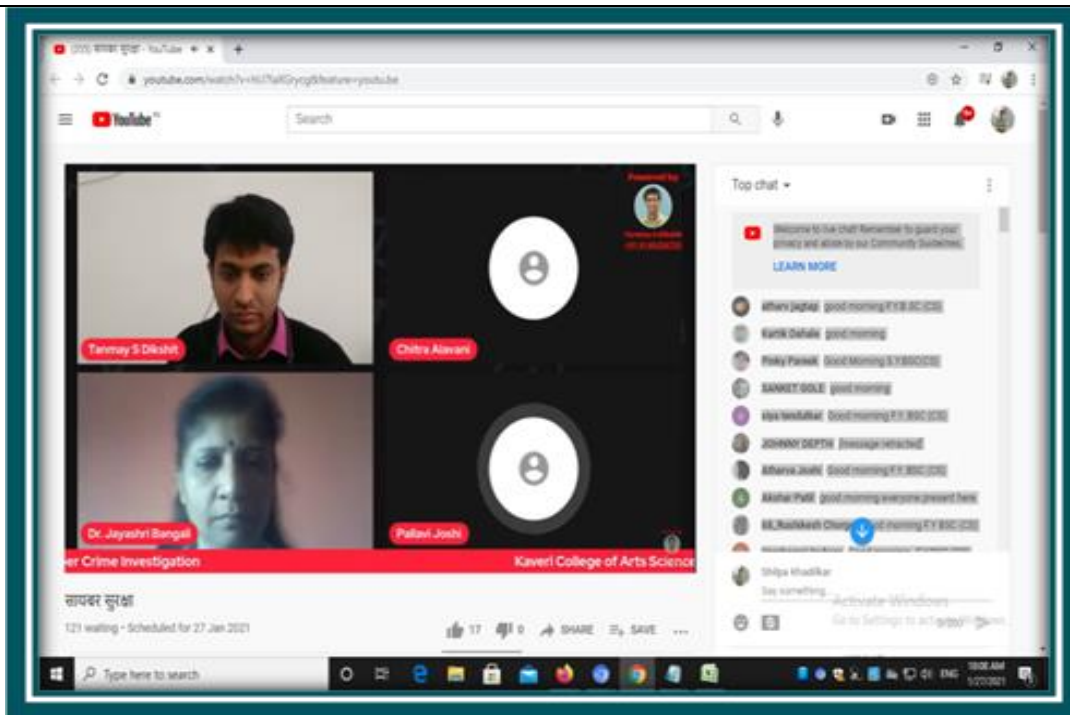

In Day 1 session, Mr. Tanmay Dikshit explained the meaning of ethical hacking and types of hacking such as White hat hacking, Blackhat hacking, Gray hat hacking and Red hat hacking.

Mr. Tanmay described how financial crime is done by hackers. He further explained many cases of ethical hacking, showed different videos and also suggested different ways of protecting from hacking such as use of RFID gadgets. He focused on mobile hacking and gave important tips to avoid mobile hacking to the participants.

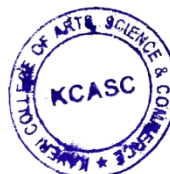

Second day of session was based on cyber crime and investigation. Mr. Dikshit explained about phishing, spoofing, email bombing, cyber bulling or cyber stalking, identity theft and how hackers are applying different ideas to do hacking. He also explained about malware attack, cyber pornography, source code theft, denial of service attack, access the Wi-Fi illegally, online gambling, cyber terrorism, cyber warfare etc. He also briefed the need of cyber awareness and suggested some ways to implement it using smart bulbs, CCTV sets. He explained the role of digital forensic in cyber crime investigation.

Name of the Activity: Two Days National Level Workshop on Data Science, Analytics, AI and Tableau

Date: 12 and 13 February 2021

Name of the Resource Person: Mr. Jinal Shah MTEch in Data Science consultant in AI and Mr. Himanshu Sharma Assistant Vice President.

Number of Participants: 604

Details of Resource Person:

Mr. Jinal Shah

Contact Number: 8888834884

Email Id: Shah.Jinal.m@gmail.com

Mr. Jinal Shah is having overall 14+ years of experience in IT and software industry. Previously he worked with Capgemini and currently working as an Artificial intelligence consultant with a multinational IT services company. He did Master in computer application and then Masters in Data science from Birla institute of technology and science. He is also scrum master certified. His keen area of interest is in Artificial intelligence and data science.

Mr. Himanshu Sharma

Contact Number: 9527811248

Email Id: Himanshu.powertech@gmail.com

Mr. Himanshu Sharma is having overall 14 + years of experience in IT industry. Previously he worked with TCS , Infosys and Citi group .Now working as a Manger in IT- MNC .He did Bachelor in engineering in electronics and communication and then Masters in Data science from Birla institute of technology and science. He is also MicroStrategy and Teradata certified professional. His keen area of interest is in Data science and analytics.

Report:

Kaveri College of Arts, Science and Commerce had organised a 2 days National Level workshop on Data Science, Analytics, AI & Tableau on 12 and 13 February, 2021.

PRINCIPAL
Kannada Sangha Pune's
Kaveri College of Arts, Science & Commerce

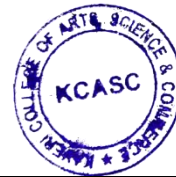

Day 1.

Resource person explained concepts like Why data science is important? What is data science, who is a data scientist, the role of mathematics and statistics in data science, and phases of the data science process. Also discussed some industrial terms.

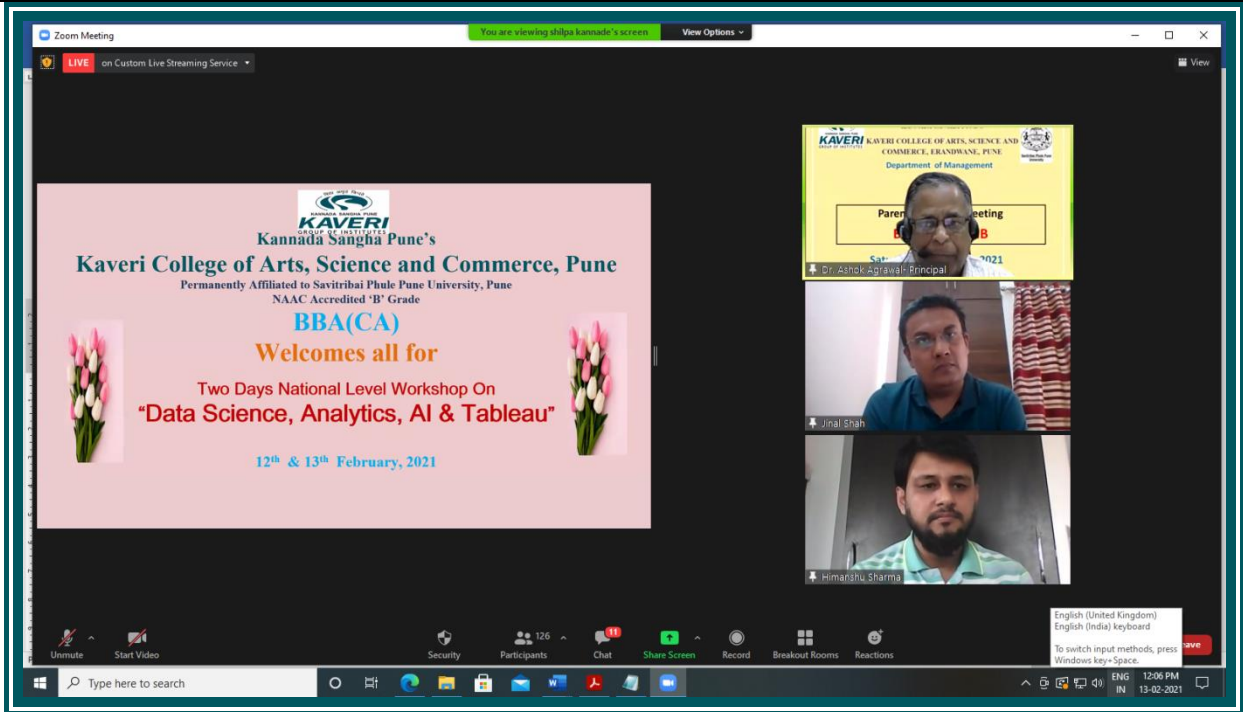

Resource person also explained Roles of data scientists. What is analytics? Information about what is Artificial intelligence. How AI can be used in real life. What are the types of analytics according to the objectives and mapping between these types? How to implement human intelligence in a machine. Natural language processing. Chat bots, Avtar, virtual reality.

He also mentioned that AI and human beings will go hand in hand and not the replacement and importance of decision making or how reasoning is done, what is sentiment analysis, predictive analysis. He also showed a live online demo of how sentiment analysis, emotional analysis is done for statements. Rules and guidelines to follow while doing analytics. The first day of workshop was interactive and ended with a question answer session.

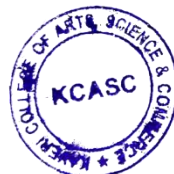

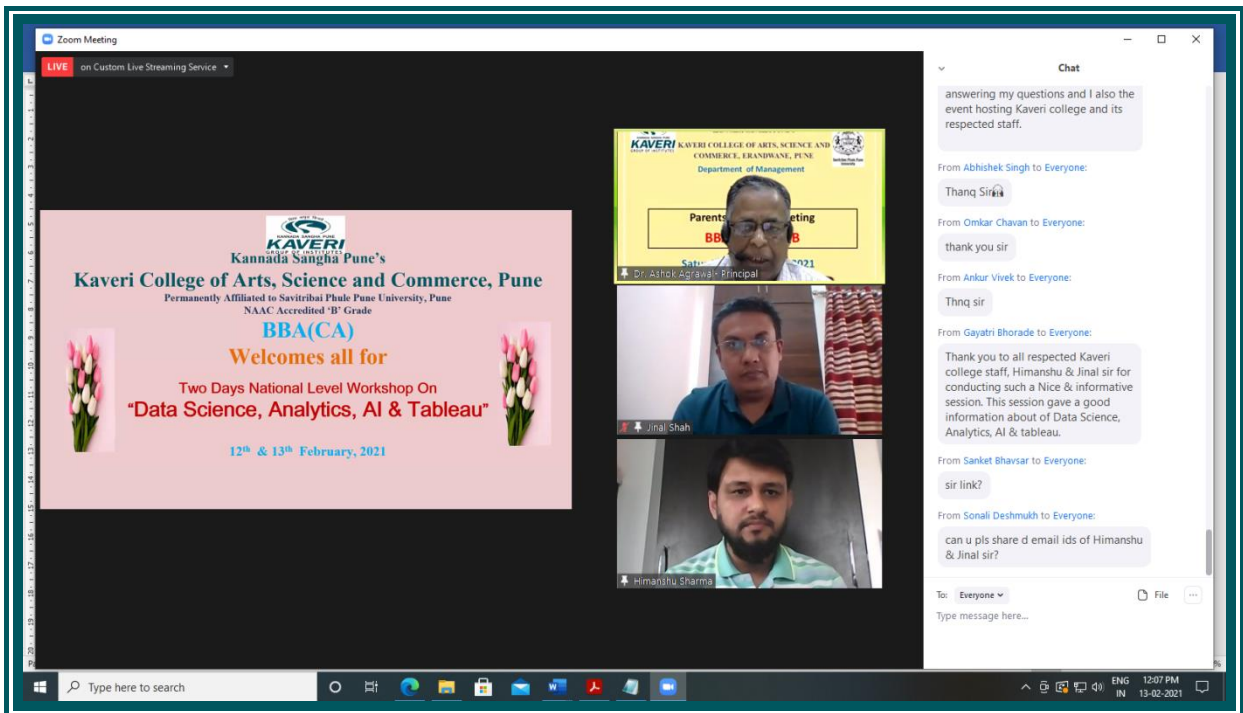

Day 2 started with the introduction of AI models - pre-trained and custom AI development. Resource person explained types of machine learning, Supervised and unsupervised learning- Linear regression, neural, cluster, reinforcement, AI model development life cycle- business understanding, data acquisition, modelling, deployment and integration, Data visualisation. Hands on example on tableau was also taken by resource person.

Name of the Activity: Session On Smart Space

Date: 27 August 2018

Name of the Resource Person: Dr. Jayashri Bangali

Number of Participants: 92

Resource Person Details: Dr. Jayashri Aniket Bangali

M.Sc., M.Phil., Ph. D. (Electronic Science).

Contact Number: 9423581927

Email ID: jayashri789@yahoo.com

Coordinator, B.Sc. (Computer Science), Head, Electronics Department

Teaching Experience: 20 years

Industrial Experience: 3 & 1/2 years

Research Areas: Low Temperature Co-Fired Ceramics (LTCC), Smart Space Automation, Embedded systems, Lighting and Glare technology

Report:

On 27 August 2018, a Session was conducted by Dr. Jayashri Bangali on the topic **Smart Space**. She spoke on the concept of smart space and various technologies used to develop smart space automation systems. Further, she shared information on smart homes and smart building. Total 92 students attended the event.
