Name of the Activity: A webinar on Gateway to Army
Date: 27 March, 2021
Name of the Resource Person: Col. Navin Bendre
Number of Participants: 188
Details of Resource Person: Col. Navin Bendre Indian Military Academy, Officers Training Academy, Indian Naval Academy and Indian Air Force Academy Contact Number: 8308838468
Report: A webinar on Gateway to Army was organised on 27th March, 2021 for FYBBA, FYBBA (IB), SYBBA, SYBBA (IB), TYBBA and TYBBA (IB) students on Google Meet. Col. Navin Bendre mentioned that joining the Army as a Sepoy and Joining Army as an Officer has a vast difference. Physical fitness, Personality development and a strong mind play a very important role in the selection process. The selection process of Officers in the Army includes the UPSC exam – a written exam at All India Level which is conducted every six months to get into the National Defence Academy. It is very necessary to understand the format of the exam. The SSB (Services Selection Board) is a very crucial examination which is followed by an interview. The interview helps to assess personality, physical fitness and so on. Personality Development is a very important transformational process to make a person capable of decision making. The Combined Defence Services Examination (abbreviated as CDS Exam) is conducted twice a year by the Union Public Service Commission for recruitment into the Indian Military Academy, Officers Training Academy, Indian Naval Academy and Indian Air Force Academy. Col. Bendre guided the students by explaining concepts like Artillery, Infantry, and Territorial Army etc. He promised the students that, post pandemic, he will personally visit the college premises and talk to the students. He mentioned that this is one of the finest and most respectable careers and everyone must think about going into the army. The students asked many questions and they were answered satisfactorily by Col. Bendre.
