Name of the Resource Person: Dr. Sharad Bhogale, Retired Professor and Head, Faculty of Social Science, WALMI, Aurangabad.

Report: Kaveri skills Development Cell in association with skillslate foundation pune organized A Talk Show on Multifaceted Personality with Dr. Sharad Bhogle. The event was conducted in the AV Room for all the students. Dr. Sharad Bhogle Sir explained the actual meaning of personality to the students, it was explained being tall, beautiful and having good looks does not mean personality. Sir made the students aware that one's decision taking ability, decision implementation, his acts etc form a part of personality. Further Sir also discussed the ways in which one can turn his personality into multifaceted personality. Sir further added that multifaceted personality can happen if one gets in depth knowledge of one discipline and superficial working knowledge of related streams.

Sir further explained the importance of 4C's which are very important in today's world of cut throat competition. C's like Computing, Communication, Caring and Connected were explained in detail. Sir suggested to the students that they should have small beginnings with high aims and try to manage time so that students can first tap all the stones and select a correct path. Sir also suggested being firm on whatever is being selected rather than trying various things at one time. In all 59 students have participated in this talk.

Names of the Resource Persons: Dr. Pronema Bagchi , Assistant Professor of English at MIT World Peace University, Pune

Report:

The Department of English of Kaveri College of Arts, Science and Commerce- Faculty of Arts, organized a webinar on ‘Doing English Novelty- Innovative Techniques of Teaching and Learning English’ on 20 February, 2021.

Dr. Pronema Bagchi mentioned the ACTFL model (American Council on the Teaching of Foreign Languages) and gave the four ‘C’s- Communities, Culture, Connections, and Comparisons. She mentioned the ubiquitous nature of English as well. Dr. Bagchi also brought forth the necessity of communication in learning any language.. For learners present as participants for the session, she said that if they follow the same model along with the four learning skills, Listening, Speaking, Reading and Writing (LSRW), nothing would stop them from becoming the best communicators. She took up two poems as examples for teaching innovatively. The teaching of poems involved activities like ‘Listening with Eyes’, composing a new poem from the last line of a poem, etc.

Date: 24 and 25 July 2020

Names of the Resource Persons: Mr. Sachin Kamath and Ms. Clarissa Jathanna

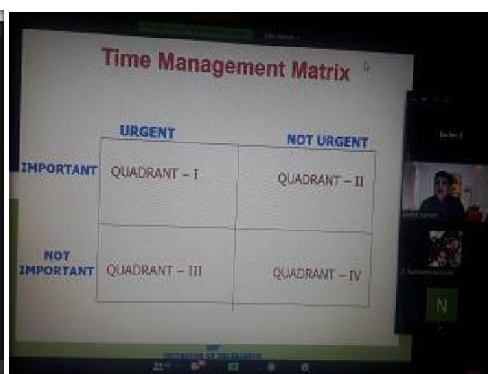

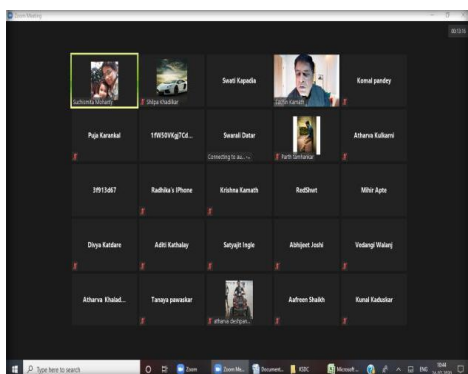

Report:

Learn to Lead – Virtual Leadership Training Programme, a two-day training programme for the students of Kaveri College was carried out by the Kaveri Skill Development Cell (KSDC) of the College on 24 and 25 July 2020. The programme was jointly conducted in association with M. R. Pai Foundation, Mumbai and Forum of Free Enterprise, Mumbai. It was conducted in the memory of Late M. R. Pai, a visionary who had devoted his time and life for the betterment of the society and developing good citizenship..

Mr. Sachin Kamath and Ms. Clarissa Jathanna were the two expert facilitators provided by the M. R. Pai Foundation for guiding our students on various essential skills like ‘Setting & Achieving Goals’, ‘The Power of Habits’, ‘Sharpening Vital Skills’ and ‘Understanding Self and Others’.

On 25 July 2020, Ms. Clarissa Jathanna made the sessions on Sharpening Vital Skills and Understanding Self & Others very interactive by throwing open the virtual platform to students to come forward and participate in the training. She said effective communication skill is the core of all vital skills. She highlighted on the 4-P’s Technique of Speaking – Pitch, Pace, Pause and Power. She explained that speaking should be concrete, concise and with clarity. She extended tips to students on how to face interview, becoming punctual, time management and setting goals. She urged students to develop self-confidence and not to hesitate to seek support, if needed.

The second session was introduced to students in a very effective and unique way of letting the students understand the ‘Johari Window’ concept. The pictorial representation of Open, Blind, Hidden and Unknown quadrants of one’s life was very intriguing.
