AY 2022-23
National Level Kaveri Skill Festival
THIRD EYE (BLIND CODING) Competition

</div>

Date of the Competition: **Wednesday, 26th April 2023**
Time: **9:30 am**
Venue: **UG LAB 2nd Floor.**
No. of Participants: **Individual Participation**
Participation Fees: **Rs. 100 per participant**
Prizes: **Top 2 students will be awarded with cash prizes and certificates. All participants will get participation e-certificate.**

Event Details:

The Blind Coding Challenge is an individual and fun challenge which is targeting the students who can write programs in C. This competition not only will improve and enhance the students' programming knowledge but also improve their speed, accuracy and efficiency in solving these challenging programming statements.

1. The compiler provided will be Turbo-C.
2. This event consists of 2 rounds.

Rules-

Round1:

1. A simple code with syntax error will be given on paper.
2. Participants have to correct the errors on paper and type the code with MONITOR SWITCHED OFF.
3. Fifteen minutes will be given to type and correct the code.
4. Students who are able to correct the syntax error and with minimum numbers of error in the typed code will be selected to participate in Round 2

Round 2

1. Only problem statement ('c' program) will be provided.
2. Code for the given problem statement should be generated by yourself.
3. Participants have to type the code with MONITOR SWITCHED OFF.
4. Twenty minutes will be given for generating the code as well as to type the code.
5. Participants whose code gets executed will be given higher preference.
6. The second preference will be given to code with least number of errors. In case of tie in number of errors, TIME of SUBMISSION will be considered.
