THE MANAGEMENT

B.P.T. REGD. NO. E 176

Kannada Sangha Pune, a Public Trust (registered under the Maharashtra Public Trust Act 1950) was established in 1952. It was mainly a cultural organization that promoted camaraderie amongst the Kannadigas in the city of Pune. With the

visionary leadership of late Dr. Shamarao Kalmadi, late Mr. G. M. Shetty and a group of dedicated and sincere trustees and members, the Kannada Sangha Pune forayed into the realm of education with the establishment of Karnataka High School in 1963. In 1965, the Karnataka High School (both Kannada medium and English medium) was renamed Dr. Kalmadi Shamarao High School in memory of its co-founder.

As the educational needs of the city grew, the Kannada Sangha Pune expanded its infrastructure to set up its other institutions and today, apart from the Kannada Medium High School, it boasts of having Pre-Primary, Primary, Secondary Schools, Junior and Senior Colleges under its umbrella. The total enrolment in these units is over 7000 students with 500 teaching faculty.

OUR INSPIRATION

We are inspired by the learning received from the River Kaveri, which symbolizes the flow of learning and the depth of knowledge and education. And we believe this widens the horizons and intellectual intensity of an individual and society.

FROM PRINCIPAL'S DESK

**Dr. Ashok Agrawal,
Principal,
Kaveri College of Arts, Science and
Commerce, Pune**

Dear Parents and Students,

I am extremely happy to welcome you all to Kaveri College of Arts, Science and Commerce which has become a most sought after institution in the field of education within a short span of 15 years. Established in the year 2005 with Bachelor of Commerce (B.Com.) degree course, today we are a multi-faculty college offering a variety of under-graduate and post-graduate courses. Our college is recognized by Government of Maharashtra and is permanently affiliated to Savitribai Phule Pune University (SPPU), Pune.

Ours is a caring institution where faculty members act as facilitators for the students to enrich their learning experiences and to nurture their minds. We cater to the needs of the learners by a unique blend of curricular, co-curricular and extra-curricular activities. The students are provided with an array of learning opportunities.

We encourage students to participate in wide-ranging activities in Academics, Sports, Cultural, NSS, etc. Moreover, we conduct number of value-added and add-on courses to help our students embrace the challenges and grab the opportunities in life. Not

stopping at this, we encourage our students to be the 'Gyan Doots' – utilizing their knowledge and expertise to the betterment of society and the fellow-beings. For us, ***Investment in Knowledge today yields the best returns in the long run!***

We are grateful to the support and guidance received from the Vice-Chancellor Dr. Nitin Karmalkar and the other University Authorities. I express my sincere gratitude to the President, Kannada Sangha Pune and all the Trustees of Kannada Sangha Pune for their continuous support and guidance for the all-round development of the college. Lastly, my heartfelt thanks to the Parents and other stakeholders for the belief and confidence they have on us.

Kaverians, our dear students, are showcasing their talent in academics as well in co-curricular extra-curricular activities, sports, social commitments at University, State National and International Level. This great deed becomes possible with the support of our team of committed teaching and devoted non-teaching members who relentlessly work for the development of students and thereby of the College and Society.

We assure the students and their parents, that journey of students at Kaveri would be full of treasures of knowledge that will transform the students into proactive citizen guided by a visionary leadership!

Hearty Welcome to the Kaveri Family!

COLLEGE PROFILE

Kannada Sangha Pune's Kaveri College of Arts, Science and Commerce was established in the year 2005 with three-year under graduate Bachelor of Commerce (B.Com.) degree course. Our College is recognised by the Government of Maharashtra and is permanently affiliated to Savitribai Phule Pune University (SPPU). It is accredited by National Assessment and Accreditation Council (NAAC) with grade 'B'. It is also included in the list of Colleges under both Section 2(f) and Section 12 (B) of the University Grants Commission (UGC) Act, 1956. In the year 2007, three-year undergraduate degree courses namely, Bachelor of Business Administration (BBA), Bachelor of Business Administration (Computer Application) (BBA (CA)) and Bachelor of Science (Computer Science) (B.Sc.(CS)) were introduced. Master of Science (Computer Science) (M.Sc. (CS)) a two-year post graduate degree course was introduced in the year 2011. To make the College a full-fledged multi-faculty College, the Faculty of Arts was started in the year 2014 to conduct a three-year undergraduate degree course, Bachelor of Arts (BA).

In the year 2016, the College started conducting another three-year undergraduate degree course, titled 'Bachelor of Business Administration (International Business) (BBA (IB)) under the Faculty of Commerce. In the year 2016, the

College received Permanent Affiliation from the SPPU for its under-graduate courses offered under the Faculty of Commerce and Faculty of Science, as per Section 88 of the Maharashtra Universities Act 1994. In the year 2019, the College has started conducting two-year post graduate degree course under the Faculty of Commerce i.e. Master of Commerce (M.Com.).

At present, the College offers the following courses:

1. Bachelor of Arts - BA
2. Bachelor of Science (Computer Science) - B.Sc.(CS)
3. Bachelor of Commerce - B.Com.
4. Bachelor of Business Administration - BBA
5. Bachelor in Business Administration (International Business) - BBA (IB)
6. Bachelor of Business Administration (Computer Applications) – BBA (CA)
7. Master of Science (Computer Science) - M.Sc.(CS)
8. Master of Commerce - M.Com.

Going by the Vision of our College, we believe that in order to nurture creativity for a sustainable future, the learning community must be provided with right opportunities alongside quality education for their holistic development. Thus, we give impetus on providing prospects to our students

and staff to experience the real-life application of theoretical knowledge. We encourage Industry-Institute interaction to keep learners updated with global changes. Ours is a caring institution where the staff members act as facilitators for the students to enrich their minds. Our College conducts academic activities such as conferences, workshops, industrial visits, seminars and guest lectures etc. In addition, paper presentation competitions, project competitions are also conducted for undergraduate students of Commerce, Management and Computer Science and Electronics Departments.

The main endeavour of our Placement Cell is to provide placement assistance to students. We equip the students with industry specific knowledge and soft skills which help in fostering their employability quotient through activities under Employability Skill Programme, BBA Club, Kaveri Kautilyas (the Economics Club) and Kolors of Kaveri (the Arts Club), Techies Club, Commerce Horizon etc. Several value addition programmes like Software Programmers in Real Life, Certificate Course in Soft Skills, etc. also have been introduced for the purpose. We encourage students to participate in various extracurricular activities such as

cultural activities, personality development workshops, debate and elocution, activities of National Service Scheme (NSS), Science Association etc. Every year our College conducts the prestigious 'Dr. Shamarao Kalmadi Memorial State level Elocution Competition' and Yuva Spandan, the cultural festival. We also run extension activities like Post Graduate Diploma in Early Childhood Education etc.

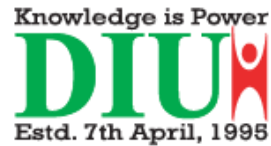

The College also carries out several community, students and staff-oriented activities through four cells namely, Kaveri Skill Development Cell (KSDC), Kaveri Research and Innovation Cell (KRIC), Kaveri Entrepreneurship Development Cell (KEDC) and Kaveri Consultancy Cell (KCC).

The students of Kaveri College are not only good in academics but are also trained in life skills. In addition, the students of our College are continuously excelling in the field of Sports.

Our College is equipped with state of art infrastructural facilities like well lit classrooms, laboratories with high end equipments, library, A.V.Room, playground, gymnasium and auditorium.

LINKAGES

The College has entered into linkages and Memorandum of Understandings with various institutions and organizations with an objective to explore newer opportunities, know-how and assistance leading to the benefit of all its stakeholders.

CANTEEN:

Canteen is considered to be a place in higher education institutes, where students are not only served with food but are also provided with a space to unwind and learn the life lessons. The College canteen attempts to provide such an atmosphere to the students.

STUDENTS SUPPORT AND PROGRESSION

At Kaveri, we believe every child is unique and has potential. Given the required opportunities, the students can prosper in their chosen career path as well as in life. In order to enable students to acquire meaningful experiences for and from learning and to facilitate their holistic development and progression, the College provides numerous opportunities – curricular, co-curricular and extra-curricular.

CURRICULAR ACTIVITIES

Apart from the regular classroom teaching-learning sessions, students are offered with various forms of learning experiences like

- ❖ Guest Lectures

- ❖ Presentations by Eminent Resource Persons from Academic and Non-Academic Fields
- ❖ Hands on Training Sessions
- ❖ State and National Level Workshops, Seminars and Conferences

The main endeavour of the College Placement Cell is to provide placement assistance to students. We equip students with industry specific knowledge and soft skills which help in fostering their employability. The Vocational Guidance Cell of the College conducts several activities to make students aware about different career opportunities available and it also conducts activities to prepare students for several competitive examinations.

Industrial Visits and other field visits are arranged for students as per the University guidelines and requirement of a course. These visits are planned with the objective of letting students know about the practical relevance of the theoretical knowledge that they acquire in the process of learning their curriculum. These also enhance enthusiasm in the students and raise their inquisitiveness.

CO - CURRICULAR ACTIVITIES

To instill in students various soft skills like communication skills, self-confidence, decision-making, problem-solving, time management, team spirit, leadership skills etc., many stream-wise clubs have been established, namely,

- ❖ BBA Club
- ❖ Kaveri Kautilyas - the Economics Club
- ❖ Kolors of Kaveri – the Arts Club
- ❖ Kaveri Techies – the BBA(CA) Club
- ❖ Commerce Horizon

The activities under these clubs are largely conducted by students, guided by teachers. In addition, activities under Science Association and during Kaveri Film Festival provide varied learning experiences to the young minds.

EXTRA - CURRICULAR ACTIVITIES

Our students are benefitted by various schemes financed by the SPPU. The activities arranged under these schemes are designed to enable students to acquire requisite human values, life skills and bring in holistic development in them. Few of the schemes are –

- ❖ National Service Scheme
- ❖ Earn and Learn Scheme and other schemes offered under Board of Students Development, SPPU
- ❖ Lifelong Learning and Extension

❖ Bahishal Shikshan etc.

Apart from these, the College also conducts the prestigious Dr. Shamarao Kalmadi State Level Elocution Competition in the memory of revered Co-Founder of Kannada Sangha Pune, Dr. Shamarao Kalmadi.

With the objective of empowering the girl students and lady members of the College, the Women's Forum arranges several activities like lectures and workshops on self-defense, women's rights, women's health etc.

To provide platform to showcase their special talents in the field of dance, drama, music, theatric, our budding students-artists are supported by the College Cultural Committee throughout the year. Yuva Spandan is a cultural extravaganza put forth by our students every year.

CENTERS OF EXCELLENCE

With the objective of assisting students excel in their chosen path, enhance their entrepreneurial skills, imbibe in them research attitude and aptitude and also providing opportunities to students to explore different career paths by improving their skill sets, the College has established four cells, namely Kaveri Consultancy Cell, Kaveri Entrepreneurship Development Cell, Kaveri Research and Innovation Cell and Kaveri Skill Development Cell.

SPORTS

At Kaveri, we believe that every child has some special talent, be it in the field of academics, cultural pursuit or sports. The Gymkhana Unit leaves no stone unturned to encourage and assist students to participate in several sports events held at zonal, state, national and international level. The Unit conducts various sports events like Athletics, Basketball, Chess, Cricket Football, Handball, Table Tennis, Volleyball etc. The College has a spacious playground and latest instruments - equipped gymnasium.

MENTORING

With the passage of time, the education sector is constantly going through transformation. And thus, a teacher's responsibilities have also evolved over time. Along with sharing knowledge and expertise on a particular subject among the students, a teacher is required to address all other developmental issues that the students are facing. Thus, there is a need for mentoring. The mentoring programme is conducted for the emotional, intellectual and societal development of the students. At the beginning

of academic year, a teacher-mentor is given with the responsibility of addressing the requirements of a group of students-mentees. Mentor-Mentee meetings are conducted periodically throughout the year. Through the sharing sessions, the mentors try to help mentees find ways to cope with their personal, emotional, intellectual and academic issues and difficulties. The students are involved in their own process of growth and development by making them plan out their strategies for academic and personal success.

COUNSELLING

It is said a teacher is also a counsellor. And at Kaveri, this philosophy is genuinely followed. Here the teachers counsel students on academic matters, career and personal issues. However, for cases of students that require professional guidance, we have provision of forwarding those cases to a counsellor.

BOOK BANK FACILITY

Provision of book bank facility is made to available to first three toppers of each class.

COLLEGE MAGAZINE - KAVERI KALEIDOSCOPE

‘Kaveri Kaleidoscope is the annual students’ magazine. It is an invaluable platform that showcases students' creativity in drawing, photography and writing. Kaleidoscope offers a lens into the students’ lives as it also includes diversity in content such as reports, articles, stories and poems. The magazine offers yet another benefit as it is a democratic and collaborative platform for the student body to develop essential skills like planning, compiling, editing, team work and leadership as they form a part of the editorial board. Each year’s magazine is based on a theme and the cover page is also created by the students.

WELFARE SCHEMES

Earn and Learn Scheme

The College implements the '**KarmaveerBhaurao Patil Earn and Learn Scheme**' in association with SPPU. The scheme is basically undertaken for the benefit of the students who are intelligent and meritorious but economically backward, so cannot afford higher education. It inculcates in the student the idea that no work is big or small and develops a work culture with the right aptitude. Students working under this scheme are paid an honorarium of Rs.45/- per hour

Medical Insurance

The Board of Student's Development, SPPU offers student insurance scheme. The College abides by the accidental insurance provision of the SPPU.

Poor Students Fund

Ours is a caring institution. Thus, as a part of our institutional social responsibility, we are committed to extend financial assistance to needy and well deserving students with the provision of this fund.

PARENT INTERACTION

ORIENTATION PROGRAMME

At the beginning of every academic year an Orientation Programme for all the parents of First Year classes is conducted in the College auditorium. During the orientation programme the parents are introduced to the culture, history, philosophy and various activities scheduled for the students in the current academic year. The parents are also informed about the important dates like university examination dates, vacation period etc.

PARENT – TEACHER MEETINGS

Course-wise parent teacher meetings are conducted every semester. The objectives of the meetings are to discuss aspects like progress of the students. The teachers and parents discuss about course structures, examination and evaluation patterns. The parents discuss their child's progress, difficulty in subjects, etc.

- ❖ Parents are invited for various events of the College. The College makes use of social media to invite and interact with parents. The College from time to time tries to provide value addition events for parents too.
- ❖ The College follows an open door policy for parents. Parents can meet the teachers, Principal and Vice Principal to discuss matter related to their ward.

ALUMNI ASSOCIATION

A strong Alumni network depicts the strength and capability of an institution to garner appreciation of and influence the society. For any institution its alumni are the brand ambassadors.

Kaveri College of Arts, Science and Commerce also has a strong alumni network and we wish to strengthen it further to foster a spirit of loyalty and to promote the general welfare of the College.

Our past students are an integral part of the Kaveri Family and we aim to reach out to almost all of our alumni, celebrate their achievements and collaborate together for mutual growth and enrichment.

For this purpose the college has an Alumni Association which nurtures and maintains relations with alumni and furthers alumni engagement for the welfare of College by maintaining and nurturing alumni relations, maintaining databases, and conducting yearly Alumni Meets.

OBJECTIVES OF THE ALUMNI ASSOCIATION

- To foster good relations with past students, and involve them as important stakeholders of the institution.
- To encourage the alumni in contributing in college activities for mutual benefit.
- To undertake efforts to develop, guide the alumni and provide them with opportunities for personal and professional development.
- To provide networking opportunities for the alumni through the alumni portal, yearly alumni meets, etc.
- To seek assistance of the alumni for promotion of the college, its values etc. and project it as an institution of higher education of excellence.
- To coordinate and encourage participation of alumni for the benefit of present students in areas like placement, internships, industrial visits, career guidance, experience sharing and corporate exposure.
- To gather inputs, share new knowledge, understand corporate expectations and provide learning and development opportunities through effective curriculum design add on or value added courses, etc.
- To bring the alumni together to contribute to community service, social service etc. for the benefit of society at large.

The Alumni Association strives to accomplish its objectives by a multitude of measures like

- Online and Offline Registration of pass out students through the alumni registration form and our dedicated alumni portal www.alumni.kaveri.edu.in
- Keeping in touch with The Kaverians Whatsapp groups.
- Involvement of Alumni for planning, organizing and execution of events of the college.
- Meet Greet and Networking opportunities at Alumni Meets.
- Self development opportunities and programmes especially for alumni.
- Mentoring and enlightening current students through guest lectures, guidance sessions, experience sharing, etc to improve their employability quotient.
- Placement assistance to Alumni and Placement facilitation by Alumni for students.

Kaveri College is a home away from home not only then but today- a decade later. Whatever I am today is only because of my college and our fabulous faculty members. Our college not only focuses on our academics but also on our overall development. I am confident that our faculty members were and always be there to support us. Always proud to be a Kaverian!

Charles Valentine

B.Sc (CS), 2011

Sr. Team Lead-Sales, Intelliment Technologies

In our quest to grow and be better as students of life, we choose to educate ourselves at an institution which not just helps us learn new topics as part of the curriculum but also practices a culture of gaining and sharing experiences by encouraging us to practice leadership, sincerity, commitment, team work, fellowship and other important human values; all while having fun. These qualities collectively contribute in the making of an all round personality even post our educational years which forms the foundation to be the best of ourselves and enables us to contribute to society through our social and work life. If you're looking to turn into such a person by discovering your hidden talents, Kaveri College is the place to take up your education, grow and enjoy. I'm glad I did so in 2008-09 for my graduation in Computer Science and eventually discovered many unknown facets of myself through my 3 years here, of which I'm ever grateful."

"We were blessed with good teachers who were very supportive. They taught us ethics and morals. The college used to focus on overall development of every student. We had BBA Club every Friday, we helped in organizing many seminars and visited top companies for industrial visits. We got good guidelines while preparing project in the last year. We participated in extra-curricular activities as well."

Kaveri has been a birthplace for unleashing my knowledge with no boundaries. Wherein my earlier years I was only focused on academics, my mentors and teachers at Kaveri have taught me academics and more. I was aspired to be one of the founder members and also be a part of various academic and cultural clubs like Kaveri Kautilyas, Kolors of Kaveri which was started during my 3 years. I would be ever grateful to my gurus at Kaveri for having been my stepping stone in success and for making me the person that I am today. An all rounder! At Kaveri, you not only come to learn and earn a degree, but you experience challenges and get inspired by them!

Sumant Sen.
BA, 2017

Sub- Editor, The Hindu

After realising that engineering was not my cup of tea, I opted out of it mid-way and decided to study English in Kaveri in pursuit of a career in journalism. Today I can look back and say that it was one of the best decisions I have taken.

The college not only helped me academically and professionally but also helped me grow as a person and a large share of this credit goes to my teachers. Apart from guiding me academically they helped me prepare for what lay ahead on my career path. The college also provided me with various extracurricular platforms like Kaveri Kautilyas, Kolors of Kaveri and other events where I honed in on different soft-skills. It was in these activities where I interacted with students from other streams who have become some of my closest friends.

Both academic and extra-curricular progress that I made at Kaveri helped me find my self-confidence again and motivation to pursue my chosen field. I am deeply proud of my alma mater and hope that it keeps up its endeavour for the holistic development of students

“My experience over the course of those 3 years was extremely enriching. In my sense, what distinguishes this institute from the others is the support and attention you receive from the teachers, and their passion towards providing each and every student with quality education. So my advice would be, if you have the desire and the hunger to learn, this institute would provide you the right platform to excel. And as the saying goes, Stay Hungry. Stay Foolish!”

Megha Waghmare

“I can honestly say that I would not be where I am today without guidance and whole heartedly support from college and for that, I owe a huge thank you. Education is a marvelous blessing and I am extremely appreciative of the opportunities received in the college. I am thankful to all teachers, who taught me more than they will ever know and without their support I couldn't have succeeded in my life. Every teacher has encouraged me and boosted my confidence to achieve the best. Thank you for opening the doors to so many opportunities. I got selected in Infosys Limited through campus placements in Kaveri College, that was a biggest achievement for me in my life. I feel proud to be an alumna of this college.
