Day and Date	3 November 2023
Time	9:00am
Venue	A.V. Room
Name of the Resource Person	Mrs. Bindiya Naik, Asst. Prof. in Economics, Ajinkya DY Patil College, Pune.
Number of Participants	52

Brief Report

The Department of Arts, Kaveri College of Arts, Science and Commerce, Pune organised a One Day Workshop on Social Innovation & Social Entrepreneurship for the students of Third Year BA on 3rd November 2023. The workshop was facilitated by Mrs. Bindiya Naik, Asst. Prof. in Economics, Ajinkya DY Patil College, Pune. Mrs. Naik conducted a very effective workshop wherein she tried to ignite the young minds towards social innovation and entrepreneurship. She cited many Social Improvement Projects and narrated a sample Tanzanian Case on Social Innovation. She divided all the participants into small groups deliberating on questions like - Why do we Need Social Innovation? Cite examples for different forms of Social Innovation. How to identify a social problem? Who are social innovators? How does social entrepreneurship contribute to economic development? And so on.. The students were very active during the session and they were sharing their opinion and ideas while answering each question. Another benefit about the session was that she used many new terminologies like iterative, Gerrymandering, Stark Inequalities, etc. Students were motivated to ideate, develop insight and innovate. Mrs. Naik used a "Learner Centric" approach by engaging the students into different activities. The students were asked to discuss within their groups and find socially innovative products and processes. Students came up with answers like Menstrual Cup, Bamboo brushes, AI, Mobile Phones, and so on.

Several charts were prepared by student groups as a part of the learning process which were later presented in front of other students who seemed to be highly motivated and encouraged to take part in it. They had an enriching and fun session with Mrs. Bindiya Naik. 52 Students benefited from the workshop. The session ended with a sticky note activity where the students were asked to write on how they want to innovate themselves, which was followed by an online MCQ test, and Vote of Thanks proposed by Mrs. Suchismita Mohanty, BA Coordinator.

Brief Report

A session on Introduction to CodeIgniter & Drupal / Joomla was conducted on Saturday, 16 March 2024 for TYBScCS and SYBBA(CA) students. Resource person Mr.Anurag Bhute briefly guided the students on the topic. In the beginning he gave a brief about CodeIgniter which is a powerful PHP framework with a very small footprint, built for developers who need a simple and elegant toolkit to create full-featured web applications. CodeIgniter is based on the Model-View-Controller (MVC) development pattern.

MVC is a software approach that separates application logic from presentation. In practice, it permits your web pages to contain minimal scripting since the presentation is separate from the PHP scripting. He guided on prerequisites for installing CodeIgniter and Steps for Installation and Configuration (for Ubuntu OS). He also solved some assignments from the lab book.

Mr.Anurag also gave a brief introduction on Drupal. It is an open source software that allows publishing, managing and organizing a wide variety of content on a website easier. Drupal is used to easily manage, update and publish the content in the website. Many individuals and organizations are using Drupal to create professional websites to suit their custom requirements. Because of easy creating sites, application and management, Drupal is used by many organizations.

We can enhance the functionality of Drupal by adding available add-on modules.He also guided on Creating Contents,Creating Articles and Creating basic Pages in Drupal. He explained in detail about Blocks and Modules. He also solved some assignments from the lab book.

Brief Report

The orientation sessions for Virtual Labs, organized for all BA students, took place in December 2023. The college, as a nodal center in collaboration with IIT Bombay, introduced this initiative as part of the Ministry of Human Resource Development's National Mission on Education through ICT. The initiative allows students to conduct experiments in various subjects virtually, enhancing their practical learning experience. The sessions began with an orientation and hands-on experiments on the 'Computational Linguistics Lab' and 'Virtual English and Communication.' The sessions were conducted as per the schedule.

These sessions were designed to introduce students to the Virtual Labs platform and help them get acquainted with performing experiments in a virtual environment. Before the sessions, students were required to register and ensure that their login credentials were ready for smooth participation. The orientation sessions provided students with a unique opportunity to enhance their understanding of subjects through practical, hands-on experiments. The initiative aims to bridge the gap between theoretical knowledge and practical application, offering students an innovative and effective learning experience.

Dear Ms. Gayatri Lendal,

Sub: Internship Offer – Full Stack Development

We are pleased to offer you a one-month internship at EDXL Learning & Innovations, a leading EdTech company focused on revolutionizing the educational landscape. We are highly impressed by your qualifications and believe that your skills and enthusiasm will greatly contribute to our team. We appreciate your interest in gaining hands-on experience in Full Stack Development; and we believe that this opportunity will provide you with valuable knowledge and industry required skills in this field. Please note that this internship doesn't include any fixed compensation.

Internship Details

Position: Full Stack Development Intern

Duration: 1 Month

Date: 07/08/2023

End Date: 06/09/2023

Work Location: Remote

During the internship, you will be assigned certain tasks and activities related to Full Stack Development and your skills will be assessed. We are committed towards passion and excellence within our team members. If within the internship period we find your performance to be exceptional and matching our employment criteria, your free internship will be extended to a paid one with a fixed stipend of 5000/-. In the event that you are unable to get selected within the internship period, we want to assure you that we recognize the value of the experience gained during your internship.

Therefore, upon completion of the one-month internship, you will be provided with a work experience and internship letter, acknowledging your contribution and the skills you have developed during your time with EDXL.

Please note that while this internship is designed to provide you with real-world experience and professional development, it does not guarantee employment with EDXL upon completion. However, exceptional interns may be considered for future employment opportunities with our organization.

We look forward to having you join our team and contribute to our web development efforts. If you have any questions or require further information, please do not hesitate to contact us at info@edxl.in or +91-8148181288.

Once again, Congratulations on being selected as our intern for the role of Full Stack Developer. We are excited to work with you and wish you every success in this endeavor.

Sincerely,

Andrea Sait
