**Name of the Activity:** Ganesh Idol Clay collection

**Date:** 16 September 2023

**Name of the Collaborating Agency:** NSS Unit

**Number of Participants:** 5

**Report:**

Kannada Sangha Pune's Kaveri College of Arts, Science and Commerce in association with 'Punarvartan Pune' collected clay after the immersion Ganesh idols, at different locations across the city, and returned it for reuse to Punaravartan campaign.

To avoid Environmental problems recycling shadu clay of idols was done under this campaign. NSS volunteers participated in large numbers for this campaign and spread awareness for using ecofriendly Ganesh idols.

The clay sludge collected was returned to several Ganesh sculptors in Pune and Pen. These artisans were offered the clay free of charge as an incentive for them to stop using Plaster of Paris and respect the ban on POP idols. Idols made by this renewed clay will be put back in the market this year.

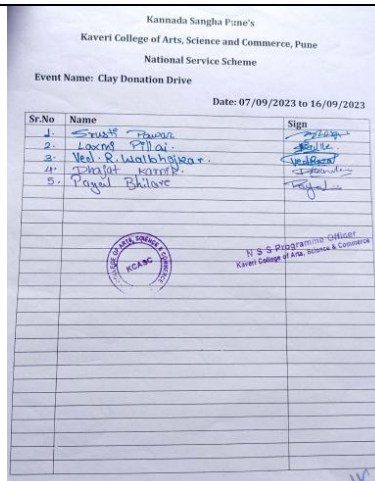

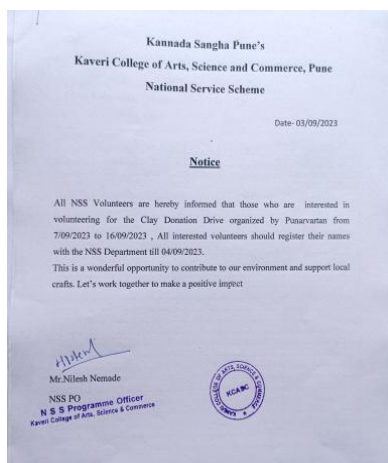

This effort to collect and recycle natural clay, shadu mitti, has been the first of its kind at this scale in the entire country and earlier this year it was presented to the Chief Minister.

The campaign received an overwhelming response from the public and they most appreciated the combined respect for tradition as well as the concern for the environment. "This effort has a twofold impact on the environment – firstly it reduced the amount of clay being immersed into the rivers and lakes, and secondly it also promotes the reuse of clay soil.

The event was conducted from 7 September 2023 to 16 September 2023.
