Report on Induction Programme

The induction programme for first year BBA students was organized from 18th to 24th July. The induction programme is conducted for first year students to help them become familiar with the college, course, and its activities.

The first day of the induction programme started with a presentation by the Coordinator of BBA and BBA IB, Dr. Shweta Bapat. She welcomed the first year students and introduced them to the college and the course. She explained the course structure, examination and assessment pattern and talked about the departmental activities. Principal Dr. Ashok Agrawal and Vice Principal Dr. Muckta Karmarkar welcomed the new batch of students. Principal Dr. Agrawal addressed the students and wished them a fruitful tenure at Kaveri college.

The students attended a session on Goal Setting and Character Building at Ramkrishna Math, Sinhgad Road, Pune. Dr. Shirish Limaye and Mr. Prashant Puppall addressed the students. Mr Puppall enlisted 23 skill sets like Achievement focus, Flexibility and adaptability, attention to details etc. The head of Ramakrishna Math, Swami Srikantananda enlightened students about the qualities of an ideal student and spirituality. Dr. Shirish Limaye addressed the students. He conducted a session on 'Instilling Human Values'. Before starting his session, he conducted a guided meditation session. Later on, he spoke about 6 secrets of inculcating human values in college life.

The third day of the induction programme started with a talk by Alumnus Mr. Kaustubh Rasane, Head of Treasury operations of a leading NBFC. He made the students aware about the college, its activities and how to make full use of the college, its facilities. He recalled anecdotes of his college days and made them understand the importance of attending lectures, completion of assignments and interaction with teachers. He told them to have a clear goal in mind. The talk was followed by presentations by departments of the college like NSS, Sports, Cultural, Library, Placement, Student Development and Elocution and Debate.

On the fourth day the students were introduced to the BBA Club. Dr. Shweta Bapat explained about the BBA Club. The first activity was a team building activity where the students tested their coordination, team work, initiative and time management. It was later on followed by a brainstorming session where students were told to sketch on the topic 'How I see myself in 2028'. The students prepared interesting drawings about their dreams, ambitions and passions.

FYBA INDUCTION PROGRAMME 2023-2024

Day 1

Name of the Event: Course Induction Programme

Organized by: BA

Objective of the Event:

1. Introducing students about different courses, activities that are conducted in college throughout the year & to create a learner-friendly environment among students and their teachers
2. To make students aware about all the credit and non credit courses, extra curricular and co-curricular activities that would lead to their holistic development

Date of the Event: 19th July 2023

No of students who attended the event: 45

Name of the Resource Person: Ms Suchismita Mohanty, Coordinator of BA Department

The Department of Arts conducted the Course Induction Programme for FYBA 2023-24 on Wednesday, 19th July 2023. Ms. Suchismita Mohanty, the BA Co-ordinator, welcomed the students and briefed them about the induction programme.

During the session all subject teachers Mrs. Sonali Kadam, Ms. Pooja Adkar, Mr. Shubham Sutar, Mr. Shubham Shinde, Ms. Swathy M, Ms. Eesha Joshi and Ms. Mansi Kulkarni introduced themselves and welcomed the students.

Ms. Mohanty gave brief information about the college origin, course, objectives, subject details, evaluation pattern, curricular activities, co-curricular activities, etc. and guided students on how to benefit from the curricular and other activities of the college. She further talked about all the co-curricular activities conducted by the Arts Department like Kaveri Arts Festival, Kolours of Kaveri-The Arts Club, Kaveri Kautilyas -The Economics Club, Kaveri Film Festival, etc. and also by other departments. In the end few glimpses of all the previous year activities, conferences etc. held in the college were shown to the students.

Dr. Deepa Sathe, Coordinator of BCom and MCom, Head of Placement Cell gave an idea about the placement opportunities and the practices students should add on to their routine in order to achieve success.

Principal Dr. Ashok Agrawal and Vice Principal Dr. Muckta Karmakar addressed and welcomed the students in the new academic year. The session was concluded with a vote of thanks given by Ms. Mohanty. A total of 50 students were present for the session.

Day 2

Name of the Event: Visit to Shri Ramkrishna Math

Organized by: BA

Objective of the Event:

1. To imbibe in students constructive thoughts
2. To make students aware about the importance of Goal setting and Confidence Building

Date of the Event: 20 July 2023

No of students who attended the event: 25

A visit was arranged for the students FYBA 2023-24 to Shri Ramkrishna Math, Pune on 20 July 2023. This was the best welcoming a college can give to their fresh students who are stepping into a new phase of their life. The programme was conducted in three separate sessions on the topic 'Goal Setting and Confidence Building'. The first session was conducted by Swami Srikantananda, who talked about Swami Vivekananda and his beliefs about the Youth, our culture, how to approach various challenges in life, and many more. Following this, Dr. Shirish Limaye, with an aim to recharge the students, started his session with some ice-breaking activities. Then he continued with his vision on Success, Skill development and Time Management. He also mentioned the 23 skills one person can acquire in one's life. The third session was conducted by Mr. Prashant Puppal, who talked about building confidence in students. To make the session more entertaining, he put in references of some movie characters and their dialogues.

To summarize, the entire programme made the students think about the meaning and purpose of life, work on their ideas, set and achieve goals, and become a human with humanity

Day 3

Name of the Event: Induction Regarding Committees

Organized by: BA

Objective of the Event:

1. To introduce students about different committees in college working for students' progression.
2. To make students aware about various activities and the credits which they can attain due to participation in activities

Date and Time of the Event: 21 July 2023 at 10:00 am.

No of students who attended the event: 35

Kaveri College of Arts, Science and Commerce organized an introduction session for various committees towards students' progression..

The session started with Mr. Nilesh Nemade, Faculty of B.Sc and Ms. Sujata Bacchav, Coordinator BBA-CA providing brief details about the NSS Committee. They described the rules and regulations to join, the expectations and the credit points associated with it. Students were shown a video of the activities conducted in the past.

Dr. Kuldeep Pawar explained about the Library facilities that are provided by the institution in terms of library sources, ID cards and the book usage services that are provided to the students.

Mr. Rohit Tambe shed some light on the sports activities that the college conducts and how students can participate in the same. He gave them details about the Intra and Inter college, zonal, state, national and international sports competitions as well as the scholarships which the students can attain as applicable.

Ms. Suchismita Mohanty, Chairperson, Cultural Committee told students about the Yuva Spandan Competition which includes various art/creative forms like drawing/ sketching, singing/ dancing and many more where students can get an opportunity to showcase their talents. She also urged the students to be enthusiastic and make the most of all these opportunities provided by the college to them.

Day 4

Name of the Event: Interaction With Alumni and Senior Students
Organized by: BA

Objective of the Event:

1. To introduce the students to their senior college mates as well as the alumni and to establish a bond.
2. To help the students make sense of the resources which they can avail through the narration of experiences shared by their seniors.

Date and Time of the Event: 22 July 2023 at 9:30 am.

No of students who attended the event: 32

The freshers were provided with the opportunity to interact with the Alumni as well as students of SYBA and TYBA. The session started with Ms.Mohanty briefing the students about the flow of the session as well as introducing the students to Dr. Muckta Karmarkar, Vice Principal who was also present for the programme.

The first part of the session was interaction with the Alumni which included Mr. Sumant Sen who is working as a Financial Data Reporter, Thomson Reuters, who had done his specialization in English engaged students with his experiences of participative learning in classes and the cruciality of attending lectures. Later, Ms Sushmita Sumant, who is a Research Associate-Centre for Mental Health Law and Policy, Indian Law Society, Pune and had pursued her specialization in Psychology told about the qualities of discussion, being in constant communication with the faculty members and doing as many as internships possible through the academic years. Lastly, Ms. Meeta Dandekar, who is pursuing Masters from Kings College, London, who had studied Economics in our college went on to explain about the perks of choosing any subject and the quality of education provided by the faculty members.

The second part of the session involved the second and third year students who had organized a game plan which involved pictiory, self introductions with quirky questions, aerobics session which was instructed by Samruddhi Deshpande, a student from TYBA. The session was concluded with Simren Arora, student of SYBA guiding the students with some Yoga techniques. Rohan Salunkhe, student of TYBA did the compering for the session.

Report on FYBCOM Induction Program - Day 1

On 20th July, the Commerce department of Kaveri College began the Induction program for students of FYBcom in Ramakrishna Math, Pune. The department had a vision to enlighten students and to provide them insights into the academic course of 3 years. Students of first year had an opportunity to listen to eminent speakers like Mr. Prashant Puppal, Dr. Shirish Limaye and Swami Srikantananda.

Mr. Prashant Puppal conducted a session on 'Goal Setting'. He enlisted 23 skill sets that students should strive to achieve in their college life. Apart from this he spoke about Stress Management, Student specific temperament, Self Awareness and importance of Interest Audit. He also highlighted the importance of application based skills through his speech. He motivated students to take initiative in order to build their personality.

After this interesting session, the head of Ramakrishna Math, Swami Srikantananda enlightened students about the qualities of an ideal student and spirituality. He emphasized more on Swami

Vivekananda's notion of 'character' and provided insights on moral human values. This session helped students to understand the importance of Yoga, Meditation and Spirituality.

After receiving enlightening inputs from Swamiji, Dr. Shirish Limaye addressed the students. He conducted a session on 'Instilling Human Values'. Before starting his session, he conducted a guided meditation session. Later on, he spoke about 6 secrets of inculcating human values in college life. He advised students to prefer knowledge over marks, skills over degrees, friends over followers, health over wealth, experiences over rewards and purpose over position. His valuable guidance proved necessary for students. In this way the first day of the Induction program proved to be beneficial for students.

Report on FYBCOM Induction Program - Day 2

On 22nd July, the second day of the Commerce department Induction program was conducted at AV Hall and Room No. 301 and Room No. 101. The program started with the enlightening session by the Head of the Dept. of Commerce Dr. Deepa Sathe and Coordinator Dr. Pooja Ambole. Where they enlightened students with various career opportunities in and after Bcom, She also threw light on the bright students who were placed at various known companies. At the end of her lecture she focused on the assessment pattern and syllabus of Savitribai Phule Pune University. After the initial introduction of the department and course structure, the students had an opportunity to listen to their seniors who have done well in academics as well as in their corporate life.

The senior student speakers who showed their presence and guided students were Sudharm Phatak, Onkar Pathak, Mallika Karmarkar, Arjun Karmarkar, Gayatri Tagade, Gauri Desai, Tanaya Ketkar, Jay Patel and Hrishikesh Pradhan who shared their college experience and the way they studied for his CA examinations. The speaker Sudharna Pathak who made students aware about CFA course structure and examination details, Gayatri Tagade spoke about her journey of CA, Mallika Karmarkar also threw light on the journey of CA, Arjun Karmarkar who spoke about his journey in CA and Sports. After our successful students we also had our FY passed out students Gauri Desai, Tanaya Ketkar, Jay Patel who shared their experience about the department and college activities.

After receiving enlightening inputs the day 2 came to an end where HOD Dr. Deepa Sathe concluded with faculty introduction of all subjects.

Report on FYBCOM Induction Program- Day 3

On 24th July, the concluding day began with information about extracurricular activities of the college. Various heads of committees addressed the students about the extracurricular activities offered by the college.

The address began with Prof. Nilesh Nemade who addressed the students about the NSS programme conducted by the college with a view to community service. It was followed by an informative session by Tambe sir, the director of Physical education, Kaveri college about the compulsory physical education activities conducted annually. He also explained the support provided to state and national players. Tambe sir also briefed the students about the discipline that is to be maintained by the students on the campus. Thirdly, the head of the cultural committee, Prof. Suchsmita Mohanty then had an interaction with the students regarding the cultural groups of Kaveri college. Lastly, The students were briefed about the usage of the library by the librarian, Dr. Kuldeep Pawar. All the committee heads ardently urged the students to join the college clubs and programmes to provide a platform to their talents and interests.

Our principal sir, Dr Ashok Agrawal sir then addressed the new students. He congratulated them on choosing this "unique" college. He enlisted the qualities of an ideal student to be responsible yet free, and full of taking initiative. He spoke that the entire staff would be committed to the holistic development of the students. The students must also strive to become responsible citizens and proactive leaders of tomorrow.

The students enjoyed fun ice-breaker activities in the later half of the day. The games began with Indian whispers, followed by hopscotch and later Peer Directed Drawings. The students also showcased their talents in a variety of performances. The excitement and initiative of the students was seen blooming as the activities progressed.

The students had a memorable induction programme over the three days.

Class: SYBCOM

Semester: 3

Subject Code: 233

Subject Name: Business Economics (Macro)

Name of the Teacher: Mr.Shubam Sutar

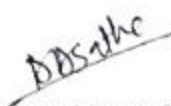

Date(s)	Unit	Topics to be covered	No. of lectures expected
1st week of August	1.Introduction to Macro Economics	1.1 Meaning and Definition of Macro Economics. 1.2 Nature of Macro Economics. 1.3 Scope of Macro Economics. 1.4 Significance of Macro Economics.	4
2nd week of August		1.5 Limitations of Macro Economics. 1.6 Macro Economic Objectives.	4
3rd week of August	2. National Income	2.1 Meaning and Importance of National Income. 2.2 Concepts: 2.2.1 Gross National Product (GNP) 2.2.2 Net National Product (NNP) 2.2.3 Gross Domestic Product (GDP) 2.2.4 Per Capita Income (PCI)	4
4th week of August		2.2.5 Personal Income (PI) 2.2.6 Disposable Income (DI) 2.3 Measurement of National Income: Methods and Difficulties	4
1st week of September		2.3 Measurement of National Income: Methods and Difficulties 2.4 Circular Flow of Income: Two sector model	4
2nd week of September		Diwali Vacation	
3rd week of September	3. Theories of Output and Employment:	3.1 The Classical Theory of Employment: J.B.Say 3.2 Keynes Criticism on Classical Theories of Employment.	4
4th week of September		3.3 Keynesian Theory of Employment.	4

1st week of October	4. Consumption, Saving and Investment:	4.1 The Consumption Function: 4.1.1 Meaning 4.1.2 Marginal Propensity to Consume (MPC) 4.1.3 Keynes's Psychological Law of Consumption.	4
2nd week of October		4.1.4 Determinants of Consumption. 4.2 The Saving Function: 4.2.1 Meaning. 4.2.2 Marginal Propensity to Save (MPS) 4.2.3 Determinants of Savings	4
3rd week of October		4.2.4 Relationship between Consumption and Saving Function (MPC and MPS) 4.3 Meaning and Types of Investment: Gross, Net, Induced and Autonomous. 4.4 Marginal Efficiency of Capital and its Determinants.	4
4th week of October		4.4 Marginal Efficiency of Capital and its Determinants. 4.5 Concepts of Investment Multiplier and Acceleration Principal.	4
1st week of November	Revision Lectures	Unit 1 & 2	4
2nd week of November	Revision Lectures	Unit 3 & 4	4

Semester: I

Subject Code: CSST 111

Term: 1

Subject Name: Descriptive Statistics

Name of the Teacher: Mrs. Pooja A. Wadodkar

Date(s)	Unit	Topics to be covered	No. of lectures expected
1 st week of Aug 2023	UNIT 1: Data Condensation and Presentation of Data	1.1 Definition, importance, scope and limitations of statistics. 1.2 Data Condensation: Types of data (Primary and secondary), Attributes and variables, discrete and Continuous variables.	3
2 nd week of Aug 2023	UNIT 1	1.3 Graphical Representation: Histogram, Ogive Curves, Stem and leaf chart. [Note: Theory paper will contain only procedures. Problems to be included in practical]	3
3 rd week of Aug 2023	UNIT 2: Descriptive Statistics	1.4 Numerical problems related to real life situations. 2.1 Measures of central tendency: Concept of central tendency, requisites of good measures of central tendency.	3
4 th week of Aug 2023	UNIT 2	2.2 Arithmetic mean: Definition, computation for ungrouped and grouped data, properties of arithmetic mean (without proof) combined mean, weighted mean, merits and demerits.	3
5 th week of Aug 2023	UNIT 2	2.3 Median and Mode: Definition, formula for computation for ungrouped and grouped data, graphical method, merits and demerits. Empirical relation between mean, median and mode (without proof)	3
1 st week of Sept 2023	UNIT 2	2.4 Partition Values: Quartiles, Box Plot. 2.5 Concept of dispersion, requisites of good measures of dispersion, absolute and relative measures of dispersion.	3
2 nd week of Sept 2023	UNIT 2	2.6 Measures of dispersion : Range and Quartile Deviation definition for ungrouped and grouped data and their coefficients, merits and demerits, Variance and Standard deviation: definition for ungrouped and grouped data, coefficient of variation, combined variance & standard deviation, merits and demerits.	3

Term: 1

Subject Name: Mathematical Statistics

Name of the Teacher: Mrs. Pooja A. Wadodkar

Date(s)	Unit	Topics to be covered	No. of lectures expected
1 st week of Aug 2023	UNIT 1: Theory of Probability	1.1 Counting Principles, Permutation, and Combination. 1.2 Deterministic and non-determination models. 1.3 Random Experiment, Sample Spaces (Discrete and continuous)	3
2 nd week of Aug 2023	UNIT 1	1.4 Events: Types of events, Operations on events. 1.5 Probability - classical definition, probability models, axioms of probability, probability of an event.	3
3 rd week of Aug 2023	UNIT 1	1.6 Theorems of probability (without proof) i) $0 \leq P(A) \leq 1$ ii) $P(A) + P(A') = 1$ iii) $P(\Phi) = 0$ iv) $P(A) \leq P(B)$ when $A \subset B$ iv) $P(A \cup B) = P(A) + P(B) - P(AB)$ 1.7 Numerical problems related to real life situations.	3
4 th week of Aug 2023	UNIT 2: Conditional Probability and Independence	2.1 Concepts and definitions of conditional probability, multiplication theorem $P(A \cap B) = P(A) \cdot P(B A)$ 2.2 Bayes' theorem (without proof). True positive, false positive and sensitivity of test as application of Bayes' theorem.	3
5 th week of Aug 2023	UNIT 2	2.3 Concept of Posterior probability, problems on posterior probability. 2.4 Concept and definition of independence of two events.	3
1 st week of Sept 2023	UNIT 2	2.5 Numerical problems related to real life situations. Revision Lecture and Class test	3
2 nd week of Sept 2023	UNIT 3: Random Variable	3.1 Definition of random variable (r.v.), discrete and continuous random variable. 3.2 Definition of probability mass function (p.m.f.) of discrete r.v. and Probability density function of continuous r.v..	3
3 rd week of Sept 2023	UNIT 3	3.3 Cumulative distribution function (c.d.f.) of discrete and continuous r.v. and their properties. (Characteristic properties only)	

4th week of Sept 2023	UNIT 3	3.4 Definition of expectation and variance of discrete and continuous r.v., theorem on expectation and variance (statement only).	3
1st week of Oct 2023	UNIT 3	3.4 Determination of median and mode using p.m.f. only. 3.5 Numerical problems related to real life situations.	3
2nd week of Oct 2023	UNIT 4 : Standard Discrete Distributions	4.1 Discrete Uniform Distribution: definition, mean, variance. 4.2 Binomial Distribution: definition, mean, variance, additive property, Bernoulli distribution as a particular case with $n=1$	3
3rd week of Oct 2023	UNIT 4	4.3 Geometric Distribution (p.m.f $p(x) = pq^x$, $x = 0, 1, 2, \dots$): definition, mean, variance. 4.4 Poisson Distribution: definition, mean, variance, mode, additive property, limiting case of $B(n, p)$	3
4th week of Oct 2023	UNIT 4	4.5 Illustration of real life situations. 4.6 Numerical problems related to real life situations.	3
1st week of Nov 2023		Revision Lectures	3
2nd & 3rd week of Nov 2023		Diwali Vacations

Date(s)	Unit	Topics to be covered	No. of lectures expected
1 st week of Jan	1	Introduction to MEAN Stack	2
2 nd week of Jan	2	Advanced ES6 features in JavaScript and Typescript	2
3 rd week of Jan	2	Advanced ES6 features in JavaScript and Typescript	2
4 th week of Jan	2	Advanced ES6 features in JavaScript and Typescript	2
5 th week of Jan	3	AngularJS	2
1 st week of Feb	3	AngularJS	2
2 nd week of Feb	4	Node.js	2
3 rd Week of Feb	4	Node.js	2
4 th week of Feb	5	Express JS	2
1 st week of March	5	Express JS	2
2 nd week of March	6	Building a MEAN Stack Application	2
3 rd Week of March	6	Building a MEAN Stack Application	2
4 th week of March		Revision and important question discussion	

Text Books / Reference Books -

1. Beginning MEAN Stack by Greg Lim, Daniel Correa
2. Beginning Node.js, Express & MongoDB Development by Greg Lim
3. FULLSTACK Web Development by PANKAJ KAPOOR

First Term / Second Term

Date:

Mid term	Term End
12/21/2024	

Class: MSc (CS) - I Semester: II
Subject Code: CS-560-MJ
Subject Name: Full Stack Development-I
Name of the Teacher: Mrs. Pallavi Joshi

Date(s)	Topics to be covered	No. of lectures expected	Actual Topics covered	No. of lectures Taken	Teaching learning methods / teaching aids used	Remark
1 st week of Jan	Introduction to MEAN Stack	2	Introduction to MEAN stack.	2	PPT + installation Demo of node	Complete
2 nd week of Jan	Advanced ES6 features in JavaScript and Typescript	2	Arrow functions, Symbols, Template literals, destructuring, spread	2	PPT + Demo of programs	Not Complete as per plan
3 rd week of Jan	Advanced ES6 features in JavaScript and Typescript	2	Functional programming oop.	2	PPT + Demo of programs	Covered topics from last week + current
4 th week of Jan	Advanced ES6 features in JavaScript and Typescript	2	Asynchronous programming	2	PPT + Demo of programming	Could not finish topic as students were not clear about new concepts & need to allot time for this as this is pre-requisite for further topics.

Date(s)	Topics to be covered	No. of lectures expected	Actual Topics covered	No. of lectures Taken	Teaching learning methods / teaching aids used	Remark
5 th week of Jan	AngularJS	2	Typescript basics	2	PPT + working of TS codes	Covered earlier topic
1 st week of Feb	AngularJS	2	Typescript advanced	2	PPT + working of TS codes	Covered from previous chapter

Mid-Term Review: Couldn't complete as per plan.

Reasons for syllabus lacking (if any): Some of the concepts are new and need to allot more time to it as it is pre-requisite of next chapters

Remedy- Extra lectures & practicals will be conducted to cover it
