Name of the event: World Mental Health Day Celebration

Date and Time of the event: 12 October 2023, Thursday from 11.00 am to 2pm

Venue: AV Room

Resource Person's Names and Designation: Ms. Purva Deshpande, Dance Movement Therapy Practitioner.

No. of Students who Attended: 50

REPORT

The Department of Arts, Kaveri College of Arts, Science and Commerce, Pune celebrated the World Mental Health Day on 12 October 2023. The programme started with Rohan Salunke, a TY BA student welcoming the audience and sharing the theme for this year as 'Mental Health being as a Human Right'. Renuka Kotharkar, a TY BA student introduced the Resource Person Ms. Purva Deshpande, a Dance Movement Therapy practitioner. Ms. Suchismita Mohanty, Coordinator BA, felicitated the guest Ms. Deshpande. The first session consisted of Dance and Movement related activities facilitated by Ms. Deshpande. The session covered activities exploring emotions and body movements through walking at different speeds and expressing gestures during the process, exploring creative movements through group formations of movements, muscle relaxation, drawing the movement story on pages with colours etc. The Next Session was titled 'K-talks' which included talks on vulnerable issues related to mental health. In the third session, a presentation on spirituality and mental health was briefly introduced for further consideration by Adishree Makashir, a TYBA student. In the fourth session, Music Therapy related activities were conducted by Shreeya Kulkarni, an SYBA student. The activities included shared rhythm, and collective singing. The A.V room was well decorated with quotes related to mental health by volunteers involved in the event. The event was concluded with a vote of thanks given by Ms. Sayali Sahasrabudhe, Faculty of Psychology. All 50 students had a great time attending the session and also making it a success.

Name of the Event: Workshop on Social Innovation & Social Entrepreneurship

Date and Time of the Event: 3 November 2023 from 9:00am to 2:00pm

Venue: AV Room

Resource Person's Names and Designation: Mrs. Bindiya Naik, Asst. Prof. in Economics, Ajinkya DY Patil College, Pune.

No of students who attended the event: 52

REPORT

The Department of Arts, Kaveri College of Arts, Science and Commerce, Pune organised a One Day Workshop on Social Innovation & Social Entrepreneurship for the students of Third Year BA on 3rd November 2023. The workshop was facilitated by Mrs. Bindiya Naik, Asst. Prof. in Economics, Ajinkya DY Patil College, Pune. Mrs. Naik conducted a very effective workshop wherein she tried to ignite the young minds towards social innovation and entrepreneurship. She cited many Social Improvement Projects and narrated a sample Tanzanian Case on Social Innovation. She divided all the participants into small groups deliberating on questions like - Why do we Need Social Innovation? Cite examples for different forms of Social Innovation. How to identify a social problem? Who are social innovators? How does social entrepreneurship contribute to economic development? And so on.. The students were very active during the session and they were sharing their opinion and ideas while answering each question. Another benefit about the session was that she used many new terminologies like iterative, Gerrymandering, Stark Inequalities, etc. Students were motivated to ideate, develop insight and innovate. Mrs. Naik used a "Learner Centric" approach by engaging the students into different activities. The students were asked to discuss within their groups and find socially innovative products and processes. Students came up with answers like Menstrual Cup, Bamboo brushes, AI, Mobile Phones, and so on.

Several charts were prepared by student groups as a part of the learning process which were later presented in front of other students who seemed to be highly motivated and encouraged to take part in it. They had an enriching and fun session with Mrs. Bindiya Naik. 52 Students benefited from the workshop. The session ended with a sticky note activity where the students were asked to write on how they want to innovate themselves, which was followed by an online MCQ test.

Name of the Event: Virtual Labs

Date and Time of the Event: 8th December - 11th December 2023, 9:30 am to 1:30 pm

Venue: AV Room

Organized by: Department of Arts

No of students who attended the Course: 51

REPORT

The orientation sessions for Virtual Labs, organized for all BA students, took place in December 2023. The college, as a nodal center in collaboration with IIT Bombay, introduced this initiative as part of the Ministry of Human Resource Development's National Mission on Education through ICT. The initiative allows students to conduct experiments in various subjects virtually, enhancing their practical learning experience. The sessions began with an orientation and hands-on experiments on the 'Computational Linguistics Lab' and 'Virtual English and Communication.' The sessions were conducted as per the schedule.

These sessions were designed to introduce students to the Virtual Labs platform and help them get acquainted with performing experiments in a virtual environment. Before the sessions, students were required to register and ensure that their login credentials were ready for smooth participation. The orientation sessions provided students with a unique opportunity to enhance their understanding of subjects through practical, hands-on experiments. The initiative aims to bridge the gap between theoretical knowledge and practical application, offering students an innovative and effective learning experience.

Date and Time of the Event :23 December 2023 at 12:00 pm

Venue: Coinex Pune

Organized by: BA

No of students who attended the Course: 22

REPORT

The Department of Arts had organized a field visit for the students of FYBA to Coinex Pune 2023 - A National Exhibition in Pune on 23 December 2023. A total of 22 students were present in the visit. The exhibition was organized by International Collectors' Society of Rare Items (ICSRI), Pune, showcasing the rich tapestry of ancient currencies, notably those hailing from Mughal and Maratha periods. The session started with a lecture on numismatic subjects and archaeological evidence of ancient and medieval era, which helped the students develop an interest towards the field. Students were then segregated into groups and explored the treasure trove of rare coins. Expert numismatists were on hand to provide insights into the coins' history, letters, pictures, imprints and approximate values.

The students had a great learning experience at the exhibition. They also got the opportunity to witness buying and selling such old coins and currencies through auction.

Date and Time of the Event : 09 February 2024 at 2:30-4 pm

Venue: Gokhale Institute of Politics and Economics

Organized by: BA

No of students who attended the Course: 28

REPORT

The Department of Arts had organized a field visit for the students of BA. The students were taken to the Gokhale institute of Politics and Economics, Pune for the 2nd Edition of the History Literature Festival on 09 February 2024. A total of 16 students were present in the visit.

Renowned speakers on the forum included Mohan Agashe, Nandita Das, Anjum Rajabali, and moderator Vaibhavi Kulkarni. The session was named 'Lights, Camera and Dialogue.' The conversation covered the development of film as well as the panelists' shifting viewpoints throughout the course of their remarkable careers. Dr. Agashe offered her perspectives on the relationship between art and education, advocating for a change in involvement from passive to active. Nandita Das defended independent filmmaking in the face of obstacles from more established sectors, stressing the importance of the screenplay as the foundation of a movie.

The students got an insight on how emotions play a role in education and what being liberal means in different areas of our lives. It was a great learning experience for the students. The session ended by 4pm.

Date and Time of the Event: 16 March 2024 at 9:15 am

Venue: Kaveri College

Organized by: BA

No of students who attended the Course: 13

REPORT

Kannada Sangha Pune's Kaveri College of Arts, Science and Commerce, Department of Arts conducted an expressive arts session for the students of TYBA by psychology faculty Ms. Shreya Ingalagi on 16th March 2024. The objective of the session was group cohesion, introduction to expressive arts therapy, sense of community and reflection of their individual experiences in Kaveri College.

In the 45mins session, the students were asked to sit in a circle to develop group dynamics. The prompt was given to the students for honoring a memory/experience in the last 3 years of their college. The students reflected with the help of visual arts and verbal expression. Each student was asked to share while holding a rope in their hand. The rope was passed across to other students for sharing in the group. A web of the rope was formed and the students shared that they felt connected. Lastly, to crystallize the experience, the students closed the session by singing a song around the web.

There was enthusiastic participation from the students and they had a memory to share. The session was full of reflection and sharing and it helped to achieve the goal of the session.

Name of the Event: Session on "Recipe to Crack Interview"

Date and Time of the Event: 23rd January 2024 9.30 am

Venue: AV Hall

Organized by: BBA(CA)

No of students who attended the Course: 104

Resource Person's Name and Contact details: Mr Sushant Kolhatkar, Navisite, Internationally certified life coach.

REPORT

On January 23, 2024, an insightful session titled "Recipe to Crack Interview" was organized, featuring Mr. Sushant Kolhatkar, an esteemed IT industry expert, as the guest speaker. The session aimed to provide valuable insights and tips for individuals aspiring to excel in IT industry interviews. The session kicked off with an engaging activity underscoring the importance of staying alert and being aware of the current IT industry landscape. Mr. Kolhatkar provided an overview of industry trends, emphasizing their significance in tailoring effective preparation strategies. A substantial portion of the session was dedicated to highlighting the importance of cultivating a well-crafted personality. Discussions likely encompassed soft skills, effective communication, and presenting oneself positively during interviews. Participants received practical guidance on boosting self-confidence and maintaining a calm, positive mindset – essential attributes for interview success. Techniques such as mirror activities, meditation, and affirmations were underscored as effective tools for staying motivated. Throughout the session, Mr. Sushant conducted interactive activities focused on building self-confidence, enhancing communication skills, and fostering a positive mindset. These hands-on exercises provided participants with tangible tools to apply in real-world scenarios.

A notable feature of the session was the inclusion of mock interviews. This allowed students to simulate real interview scenarios, providing them with an opportunity to practice responses and receive constructive feedback from both the speaker and peers. The goal was to refine interview skills and enhance confidence. In conclusion, the "Recipe to Crack Interview" session provided a well-rounded experience for participants, offering practical advice, interactive activities, and mock interviews. By addressing technical and behavioral aspects, the session equipped individuals with the necessary tools to succeed in the competitive realm of IT industry interviews.

REPORT

A Session on Spring and Hibernate was organised by the Computer Science Department for the students of TYBBA(CA) and TYBSc(CS). Mr. Milind Joshi, Tech Lead, Rezoomex. Pune, was invited as the resource person. He has 6+years of experience in Java development particularly in Spring Boot, which is a popular framework for building Java-based enterprise applications.

The session started with the basic overview of core java concepts and the explanation about Spring framework, how to program and configure it for various Java-based enterprise applications. He also explained the Hibernate framework and how to map an object oriented domain to a relational database. He explained about the most prominent features of Hibernate i.e. to map from Java classes to database tables and to map Java data types to SQL data types. Both these concepts were handled with a Hands-on session.

The session was very informative and all the concepts were explained with simple programs which even the students executed simultaneously along with the trainer. At the end of the session students interacted with the resource person and got their queries solved. The lecture was very beneficial to the students and they got to know about the latest trends and technologies used in industry.

Date of the Event: 5-7 December 2023

Venue: Zoom

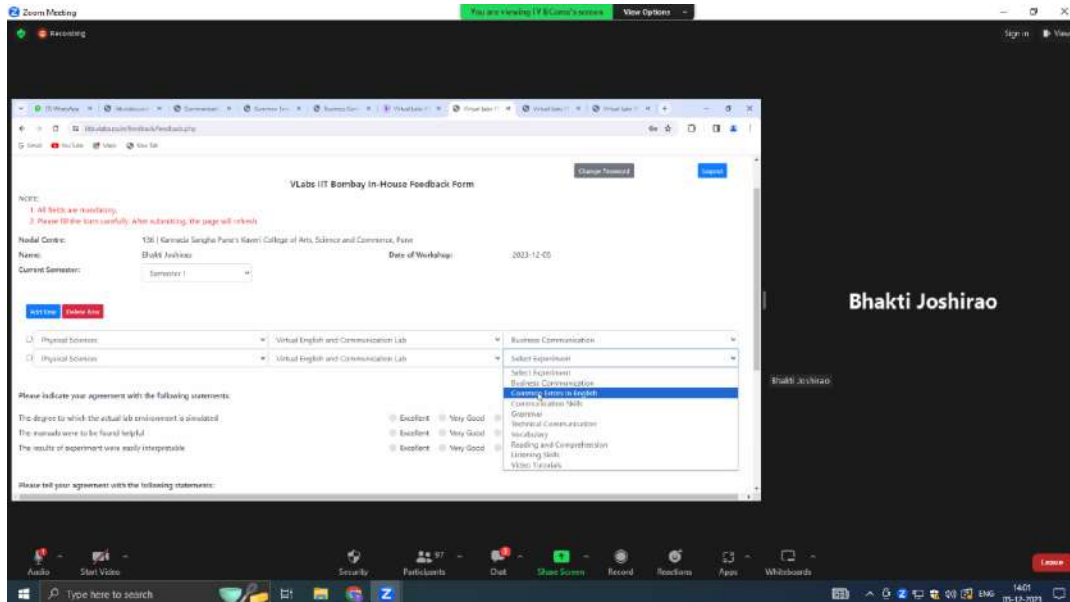

Organized by: Department of Commerce

No. of projects completed more than 4000

REPORT

The Department of Commerce organised a Virtual Lab Experiment on Virtual English and Communication which was designed by Indian Institute of Technology Guwahati for three days from 5th to 7th December 2023. The Experiment was conducted as our college is a nodal centre for virtual labs in collaboration with IIT Powai. It is an initiative of the Ministry of Human Resource Development under the National Mission on Education through ICT. Students can perform experiments based on various subjects virtually on this platform.

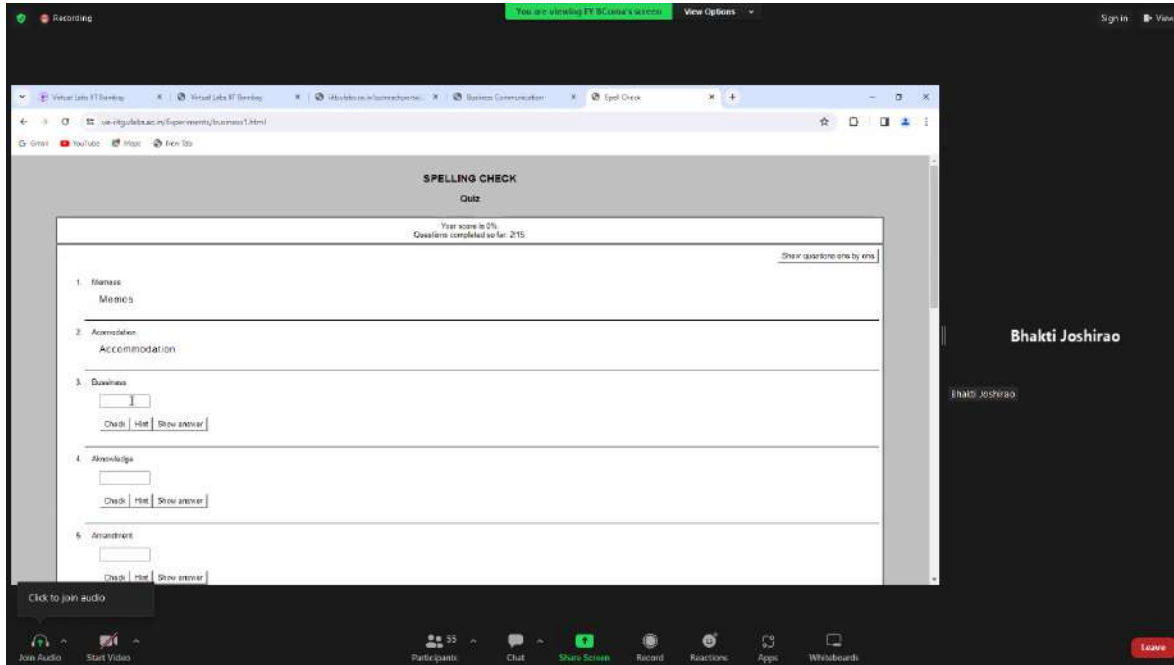

The session was conducted by Dr. Deepa Sathe, Mrs. Pooja Ambole, Mrs. Bhakti Joshirao and Dr. Mukta Bhosale. The students from Second Year B.Com were given guidance in doing Business Communication Experiments Online. Under Business Communication 6 Self Assessment Exercises are available which are to be solved by the students one by one. Various Communication Skills like Grammar, Vocabulary, Presentation and Etiquettes were evaluated. At the end of every exercise the students were evaluated and given marks. The lecture was conducted for FYBCOM, SYBCOM and TYBCOM students. The students had many learnings from the experiments conducted virtually. The students were highly happy with this initiative. Number of project completed more than 4000.

Date of the Event: 5th and 6th April 2024

Venue: Google Meet and Zoom

Organized by: Department of Commerce

No of students who attended the Course: 44

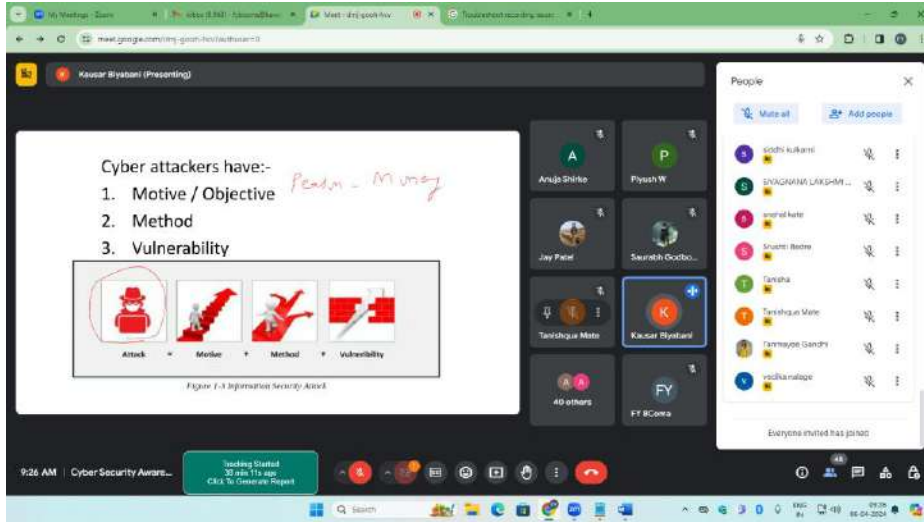

Resource Person: Ms. Kausar Biyabani

REPORT

The Department of Commerce at Kaveri College of Arts, Science, and Commerce, Pune, organized an online session on "Cyber Security Awareness" for MCOM Part I and Part II students on 5th and 6th April 2024. The session was led by Ms. Kausar Biyabani, an expert in cyber security, who guided students through essential concepts and practices to safeguard their digital presence. The session was conducted on Google Meet and Zoom to accommodate all students.

Ms. Biyabani discussed various types of cyber threats such as hacking, phishing, and ransomware, and provided practical tips to protect oneself online. She emphasized the importance of using strong passwords, enabling two-factor authentication, and being cautious while browsing the internet. Additionally, students were educated on the importance of data privacy and safe practices for handling sensitive information.

The session concluded with an interactive Q&A where students asked questions regarding online security. The feedback from students was overwhelmingly positive, with many expressing increased awareness and confidence in managing their online safety. The event successfully achieved its goal of educating students about the crucial aspects of cyber security in today's digital age. 44 students benefited from the event.

Name of the Event: National Science Day

Date of the Event: 27th February 2024

Venue: Electronic Lab (Third floor)

Organized by: B.Sc (CS) Department

No of students who attended the Course: 40

REPORT

National Science Day 2023-24 was celebrated with great enthusiasm on **27th February 2024**. The theme for this year's celebration was "**Indigenous Technology for Viksit Bharat**", which aligns with the vision of creating a technologically advanced and sustainable India. On this special occasion, a **Project Exhibition** was organized to showcase the creativity, innovation, and technical skills of students. The exhibition aimed to highlight the importance of developing indigenous solutions to meet societal needs and contribute to India's growth.

The exhibition was inaugurated by **Dr. Muckta Karmarkar**, the **In-charge Principal** of the college, who congratulated the students for their efforts in designing and developing innovative projects. In her address, Dr. Karmarkar emphasized the importance of sustainability in technology development and encouraged the students to focus on incorporating eco-friendly and sustainable features in their projects.

Dr. Anand Buddhikot, a distinguished faculty member, spoke about the significance of National Science Day. He informed the audience that National Science Day is celebrated every year on **27th February** to commemorate the discovery of the "**Raman Effect**" by Indian physicist **Sir Chandrashekhara Venkata Raman (C.V. Raman)**. Dr. Buddhikot highlighted the objective of the exhibition, which was to inspire students to work on projects that combine scientific curiosity with practical applications that contribute to society.

The event was also graced by the presence of **Dr. Ashok Agrawal**, the **Academic Executive Director** of the college, who appreciated the students' innovative spirit and the efforts put into organizing the exhibition.

The session concluded with an interactive Q&A segment, where a total of 40 students actively participated.

Name of the Event: Guest Lecture on CodeIgniter & Drupal / Joomla

Date of the Event: Saturday, 16 March 2024

Venue: UG Lab 2nd Floor

Organized by: Computer Science Department TYBScCS and SYBBA(CA) students

No of students who attended the Course: 105

Resource Person's Name and Contact details: Mr.Anurag Bhute.

Software Developer & Designer, Synerzip SoftTech India Pvt. Ltd, Pune.

REPORT

A session on Introduction to CodeIgniter & Drupal / Joomla was conducted on Saturday, 16 March 2024 for TYBScCS and SYBBA(CA) students. Resource person Mr.Anurag Bhute briefly guided the students on the topic. In the beginning he gave a brief about CodeIgniter which is a powerful PHP framework with a very small footprint, built for developers who need a simple and elegant toolkit to create full-featured web applications.

CodeIgniter is based on the Model-View-Controller (MVC) development pattern. MVC is a software approach that separates application logic from presentation. In practice, it permits your web pages to contain minimal scripting since the presentation is separate from the PHP scripting. He guided on prerequisites for installing CodeIgniter and Steps for Installation and Configuration (for Ubuntu OS). He also solved some assignments from the lab book.

Mr.Anurag also gave a brief introduction on Drupal. It is a open source software that allows publishing, managing and organizing a wide variety of content on a website easier. Drupal is used to easily manage, update and publish the content in the website. Many individuals and organizations are using Drupal to create professional websites to suit their custom requirements. Because of easy creating sites, application and management, Drupal is used by many organizations. We can enhance the functionality of Drupal by adding available add-on modules.He also guided on Creating Contents,Creating Articles and Creating basic Pages in Drupal. He explained in detail about Blocks and Modules. He also solved some assignments from the lab book.

Mr. Ranjeet Sing, Accenture

Number of Participants **81**

Brief Report

Kaveri College of Arts, Science and Commerce arranged an industry visit to the World Trade Centre (WTC) in Pune for BBA and BBA IB students on 19th January 2024. A tour of the campus was given to the 76 students and 6 teachers, giving them an understanding of the WTC's business towers and the businesses that operate there. Business Development Manager Ms. Smruti Wakhare gave an explanation of how WTC assists businesses with worldwide expansion in the auditorium. The center's function in promoting global trade and the significance of sustainability for upcoming enterprises were covered by Mr. Neeraj Khivsara, CIO of WTC Pune. FIAT's Commodity Head, Mr. Amit Late, gave a talk about international commerce and how WTC helps SMEs interact with multinational corporations. Mr. Ranjeet Sing from Accenture wrapped up the discussion by stressing the value of cultivating distinctive viewpoints and abilities for success.

Brief Report

Kaveri college of Arts, Science and Commerce College organized an industrial visit for SY BBA and TY BBA students to Hi-Tech Textile Park, Baramati, where they visited Cotton King Pvt. Ltd. and Peppermint Clothing Pvt. Ltd. At the textile park, students learned about various stages of textile production and interacted with industry experts. They explored Cotton King's cotton-based men's clothing manufacturing process and Peppermint's production workflow for girls' fashion wear. The visit provided valuable insights into manufacturing, quality control, and market trends in the textile and fashion industries.

Number of Participants	59

Brief Report

Kaveri College of Arts, Science, and Commerce in Pune arranged an industrial visit to Hindustan Beverages Coca-Cola Pvt. Ltd. at Pirangut for FY BBA and FY BBA IB students. After touring two manufacturing areas—one for aerated beverages and the other for fruit-based drinks—the students gained an understanding of the company's background, goals, and methods of operation. They saw while the water purification system and the syrup preparation, bottling, capping, packaging, and labeling procedures were carried out. Mr. Pravin Jadhav, the production manager, talked about the distinctions between mineral water and bottled drinking water. Students' knowledge of the beverage sector was improved by the visit, which gave them insights into supply chain management, manufacturing, and quality assurance.
