Report:

Kaveri College of Arts, Science and Commerce actively participated in the Youth Convention organized at Ramakrishna Math Mission, Pune. NSS Volunteers participated in large numbers for the Youth Convention Program at Ramakrishna Math held on 11th September, 2023. Commemorating the 125th anniversary of the Ramakrishna Mission, they celebrated the Concluding Ceremony of the First Batch of the Vivekananda Study Circle on the occasion with great enthusiasm.

Dr. Sharad Kunte, Chairman – Deccan Education Society, Pune was the chief guest for this program. Students got special guidance from Swami Srikantananda, President – Ramakrishna Math, Pune, Dr. Shirish Limaye former professor, Symbiosis College, Pune, and Mr. Prashant Puppal, Industrialist. The youth convention was inaugurated by the chief guest Dr. Sharad Kunte. While addressing the students, Dr. Sharad Kunte enlightened the students on the vision of Swami Vivekananda and the important issues of Youth and nation. He also inspired the students to be of a good character.

Swami Srikantananda in his speech gave insights about some of the qualities of Swami Vivekananda that students need to inculcate in themselves. Dr. Shirish Limaye in his speech highlighted Swami Vivekananda's speech in Chicago. Swamiji introduced the concept of Vishwa Dharma at the Chicago Sarva Dharma Parishad. Swamiji's fame spread in the western countries from this Chicago interfaith conference. He said that it was Swamiji who spread Hinduism and Indian Vedanta and philosophy far and wide in Western countries, hence this day is celebrated as "Vishwa Bandhutva Din". He conveyed Swami Vivekananda's message for the young generation.

Principal Dr. Ashok Agrawal, Vice Principal Dr. Mukta Karmarkar and NSS Program Officer Mr. Nilesh Nemade motivated the students to participate in the youth convention and gain insights in themselves.

Report:

On 20th July, the Commerce department of Kaveri College began the Induction program for students of FYBcom in Ramakrishna Math, Pune. The department had a vision to enlighten students and to provide them insights into the academic course of 3 years. Students of first year had an opportunity to listen to eminent speakers like Mr. Prashant Puppal, Dr. Shirish Limaye and Swami Srikantananda.

Mr. Prashant Puppal conducted a session on 'Goal Setting'. He enlisted 23 skill sets that students should strive to achieve in their college life. Apart from this he spoke about Stress Management, Student specific temperament, Self Awareness and importance of Interest Audit. He also highlighted the importance of application-based skills through his speech. He motivated students to take initiative in order to build their personality.

After this interesting session, the head of Ramakrishna Math, Swami Srikantananda enlightened students about the qualities of an ideal student and spirituality. He emphasized more on Swami Vivekananda's notion of 'character' and provided insights on moral human values. This session helped students to understand the importance of Yoga, Meditation and Spirituality.

After receiving enlightening inputs from Swamiji, Dr. Shirish Limaye addressed the students. He conducted a session on 'Instilling Human Values'. Before starting his session, he conducted a guided meditation session. Later on, he spoke about 6 secrets of inculcating human values in college life. He advised students to prefer knowledge over marks, skills over degrees, friends over followers, health over wealth, experiences over rewards and purpose over position. His valuable guidance proved necessary for students. In this way the first day of the Induction program proved to be beneficial for students.

Report on FYBCOM Induction Program - Day 2

On 22nd July, the second day of the Commerce department Induction program was conducted at AV Hall and Room No. 301 and Room No. 101. The program started with the enlightening

session by the Head of the Dept. of Commerce Dr. Deepa Sathe and Coordinator Dr. Pooja Ambole. Where they enlightened students with various career opportunities in and after Bcom, she also threw light on the bright students who were placed at various known companies. At the end of her lecture, she focused on the assessment pattern and syllabus of Savitribai Phule Pune University. After the initial introduction of the department and course structure, the students had an opportunity to listen to their seniors who have done well in academics as well as in their corporate life.

The senior student speakers who showed their presence and guided students were Sudharm Phatak, Onkar Pathak, Mallika Karmarkar, Arjun Karmarkar, Gayatri Tagade, Gauri Desai, Tanaya Ketkar, Jay Patel and Hrishikesh Pradhan who shared their college experience and the way they studied for his CA examinations. The speaker Sudharma Pathak who made students aware about CFA course structure and examination details, Gayatri Tagade spoke about her journey of CA, Mallika Karmarkar also threw light on the journey of CA, Arjun Karmarkar who spoke about his journey in CA and Sports. After our successful students we also had our FY passed out students Gauri Desai, Tanaya Ketkar, Jay Patel who shared their experience about the department and college activities.

After receiving enlightening inputs, the day 2 came to an end where HOD Dr. Deepa Sathe concluded with faculty introduction of all subjects.

Report on FYBCOM Induction Program- Day 3

On 24th July, the concluding day began with information about extracurricular activities of the college. Various heads of committees addressed the students about the extracurricular activities offered by the college.

The address began with Prof. Nilesh Nemade who addressed the students about the NSS programme conducted by the college with a view to community service. It was followed by an informative session by Tambe sir, the director of Physical education, Kaveri college about the compulsory physical education activities conducted annually. He also explained the support provided to state and national players. Tambe sir also briefed the students about the discipline that is to be maintained by the students on the campus. Thirdly, the head of the cultural committee, Prof. Suchsmita Mohanty then had an interaction with the students regarding the cultural groups of Kaveri college. Lastly, the students were briefed about the usage of the library by the librarian, Dr. Kuldeep Pawar. All the committee heads ardently urged the students to join the college clubs and programmes to provide a platform to their talents and interests.

Our principal sir, Dr Ashok Agrawal sir then addressed the new students. He congratulated them on choosing this “unique” college. He enlisted the qualities of an ideal student to be

responsible yet free, and full of taking initiative. He spoke that the entire staff would be committed to the holistic development of the students. The students must also strive to become responsible citizens and proactive leaders of tomorrow.

The students enjoyed fun ice-breaker activities in the latter half of the day. The games began with Indian whispers, followed by hopscotch and later Peer Directed Drawings. The students also showcased their talents in a variety of performances. The excitement and initiative of the students was seen blooming as the activities progressed.

The students had a memorable induction programme over the three days.

On day 4, 20 July, 2023 an Outreach Programme at Ramakrishna Math was organized for students. All the students visited the spiritual centre of Ramakrishna Math, Pune for an outreach program. The purpose behind this Induction program was to make the future youth generation better by following the example of Swami Vivekananda. Special lectures on the topic 'How a Youth should be...', 'Instilling Human Values', 'Goal Setting' were organized for the students. President of Ramakrishna Math Pune, Sri Srikantananda Swamiji, Dr. Shirish Limaye and Shri. Prashant Puppal specially guided the students on this occasion and motivated them through their conversations. On this occasion Coordinators of all courses, professors and teachers were present along with students. At the beginning of the program, Dr. Shirish Limaye welcomed Kaveri College and all the students. Prof. Suchismita Mohanty, Coordinator of Arts Department, and Ms. Bhakti Joshirao faculty in commerce introduced the distinguished speakers.

Swamiji told the students to follow the example of Swami Vivekananda to inspire the youth through his speech. He also said that, in order to be physically and intellectually strong, students should be able to recognize the difference between good and bad and take control of their minds and should be able to achieve their goals with the power of will. He further inspired the students to do social work by saying that if a person has control over his own mind then, one can develop a good character on good things. He also told about the importance of discipline in life with many examples, that students should develop character and follow ethics.

Speaking on the topic of 'Instilling Human Values', Dr. Shirish Limaye spoke on the interrelationship between growth - progress - success. He emphasized six important things for a better human life are as follows

1. Collect knowledge not marks.
2. Collect skills and not degrees.
3. Collect good friends and not followers.
4. Invest in your health rather than in wealth.
5. Collect experiences, not rewards.

6. Collect your purpose, not the position, Post and power.

Also considering the importance of skills and talents in the current era, He introduced 23 different skills to the students.

Shri Prashant Puppal while speaking on the topic 'Goal Setting' named some important books for the students. While setting the goal, students should choose challenging things, also know their passion, choose something based on changing technology, and also create a business through that thing and everyone needs it, he guided them to set their goals. He said that a man should be self-motivated in his own life. A large number of students of the college experienced this spiritual experience and were taught through various incidents from the life of Swami Vivekananda narrated by the leading lecturers.

The students found guidance and directions through these lectures right from the start of the academic year.

Report:

Kannada Sangha Pune's Kaveri College of Arts, Science and Commerce in collaboration with Pune International Marathon Trust (PIMT), organized a three-day Marathon event from 25 to 27 February 2022 at Marathon Bhawan, Swargate, Pune. MOU (Memorandum of Understanding) was already signed between Kaveri College and PIMT to encourage sports culture which was followed by this sporting event. This Marathon was successfully organized and managed by both the parties.

Kaveri College's enthusiastic participation in form of sixty volunteers was remarkable, evident through the tasks they executed such as distribution of the kits, managing the vehicular traffic during the Marathon, capturing the whole event through the camera lens and supervising the baggage Counter.

They volunteered in the prize distribution ceremony as well, to conclude the event on a high note. The sporting spirit of Kaveri College's participants and volunteers is boosted further by the experiences from the three days' Marathon programme. Kaveri College is looking forward to have more achievement like this in future with the wonderful partnership of PIMT.

Report:

The Department of Arts, Kaveri College of Arts, Science and Commerce, Pune organized a One Day Workshop on Social Innovation & Social Entrepreneurship for the students of Third Year BA on 3rd November 2023. The workshop was facilitated by Mrs. Bindiya Naik, Asst. Prof. in Economics, Ajinkya DY Patil College, Pune. Mrs. Naik conducted a very effective workshop wherein she tried to ignite the young minds towards social innovation and entrepreneurship. She cited many Social Improvement Projects and narrated a sample Tanzanian Case on Social Innovation. She divided all the participants into small groups deliberating on questions like - Why do we Need Social Innovation? Cite examples for different forms of Social Innovation. How to identify a social problem? Who are social innovators? How does social entrepreneurship contribute to economic development? And so on. The students were very active during the session and they were sharing their opinion and ideas while answering each question. Another benefit about the session was that she used many new terminologies like iterative, Gerrymandering, Stark Inequalities, etc. Students were motivated to ideate, develop insight and innovate. Mrs. Naik used a "Learner Centric" approach by engaging the students into different activities. The students were asked to discuss within their groups and find socially innovative products and processes. Students came up with answers like Menstrual Cup, Bamboo brushes, AI, Mobile Phones, and so on.

Several charts were prepared by student groups as a part of the learning process which were later presented in front of other students who seemed to be highly motivated and encouraged to take part in it. They had an enriching and fun session with Mrs. Bindiya Naik. 52 Students benefited from the workshop. The session ended with a sticky note activity where the students were asked to write on how they want to innovate themselves, which was followed by an online MCQ test, and Vote of Thanks proposed by Mrs. Suchismita Mohanty, BA Coordinator.

Name of the Activity: Guest Lecture on CodeIgniter & Drupal / Joomla

Date: 16 March 2024

Name of the Resource Person: Mr.Anurag Bhute.

Software Developer & Designer, Synerzip SoftTech India Pvt. Ltd, Pune.

Report:

A session on Introduction to CodeIgniter & Drupal / Joomla was conducted on Saturday, 16 March 2024 for TYBScCS and SYBBA(CA) students. Resource person Mr.Anurag Bhute briefly guided the students on the topic. In the beginning he gave a brief about CodeIgniter which is a powerful PHP framework with a very small footprint, built for developers who need a simple and elegant toolkit to create full-featured web applications.

CodeIgniter is based on the Model-View-Controller (MVC) development pattern. MVC is a software approach that separates application logic from presentation. In practice, it permits your web pages to contain minimal scripting since the presentation is separate from the PHP scripting.

He guided on prerequisites for installing CodeIgniter and Steps for Installation and Configuration (for Ubuntu OS). He also solved some assignments from the lab book.

Mr.Anurag also gave a brief introduction on Drupal. It is an open-source software that allows publishing, managing and organizing a wide variety of content on a website easier. Drupal is used to easily manage, update and publish the content in the website. Many individuals and organizations are using Drupal to create professional websites to suit their custom requirements. Because of easy creating sites, application and management, Drupal is used by many organizations. We can enhance the functionality of Drupal by adding available add-on modules.

He also guided on Creating Contents, Creating Articles and Creating basic Pages in Drupal. He explained in detail about Blocks and Modules. He also solved some assignments from the lab book
